FAMILY SUMMER TRAVEL CAMP 2024 TANZANIA, AFRICA SAFARI

Day 1 (does not include travel time):

International flight to Kilimanjaro, Tanzania. Transfer to Arusha and check into a coffee plantation hotel.

Day 2, 3:

Our safari begins early morning. We trek to Tarangire National Park. In addition to the largest concentration of elephants in the country, the park hosts a large variety of other amazing animals. We'll visit a Masai Village and learn about their culture.

Day 4, 5, 6, 7:

After an early breakfast, we head toward the famous Serengeti National Park, a name that means "endless plains."

Flexible days in the Serengeti allow us to schedule game drives and outings as we'd like, based on our expert guide recommendations.

Transfer to the northern Serengeti to witness the Great Migration. This is where the famous Mara River crossing occurs.

Day 8:

After an early morning game drive, head to the Ngorongoro Crater today. This natural wonder is home to nearly every species of wildlife that is indigenous to East Africa, including the Black Rhino.

Day 9:

Venture down into the Ngorongoro crater for a game drive and picnic lunch near beautiful hippo lake. Exit Ngorongoro Conservation Area and head back to Arusha for our final night in Tanzania.

Day 10:

Depart for the airport and head home or add the optional Zanzibar beach days.

Optional Zanzibar Beach Extension

Day 10, 11, 12:

Quick flight over to Zanzibar and check into the beach hotel on the northern tip of Zanzibar. While in Zanzibar, relax at the beach or hotel pool. Choose from several extra activities including visits to Stone Town (a UNESCO world heritage site), feed sea turtles at a nearby cove, visit Prison Island and giant tortoises, snorkeling, dolphin tour, Cheetah's Rock animal rescue center, spice farms and more.
