

Membership and Fees Policy for the 2020-21 School Year

Due to the extreme disruption to the Early Childhood profession caused by the COVID-19 Pandemic, which included the cancellation of PACT's Spring 2020 Professional Development Day, the PACT board extended the membership of everyone who joined for the entire 2019-2020 school year through the Fall 2020 PDD. Those members were entitled to admission to a 2 hour virtual Fall workshop at no additional cost.

PACT's membership fee for Spring 2021 is \$20. Educators who join PACT (or renew their membership) in February or March 2021 will be entitled to participate in PACT's virtual Professional Development Days on March 17 and 18.

Policy:

Membership is on an individual (not school) basis and cannot be transferred.

Refunds may be issued prior to the Professional Development Day registration deadline. Refunds will **not** be issued after that date or if the participant cancels or does not attend the Professional Development Day. In the event that it is necessary to cancel a Professional Development Day due to unforeseen circumstances, PACT would refund the fee to the participants.
