My name is Stone Fancher, and I am committed to pursuing college golf at the highest level possible. I am in the class of 2026 and play competitive junior golf in North Texas across the TJGT, NTPGA All-American Tour, Legends Junior Tour, and AJGA.

I have been playing **for only 3 years**, but I have improved rapidly with relentless dedication to practice and study of the game. In this short time, I have lowered my scoring average from the 100s to the low 70s. These scores will continue to improve exponentially as I enter my 4th year of competitive golf. I play 6A Varsity high school golf at JJ Pearce High School in Richardson, Texas. I have a great coach and teammates

who have become some of my best friends. I hope to be part of another amazing team in college as well.

NOTABLE TOURNAMENT SCORES
