### College Roadmap

Easy-to-follow roadmap for navigating the journey to college (for both the parent and high schooler)

### Career Roadmap

Easy-to-follow roadmap for finding your interests, discovering self and successfully navigating the journey to your career with clarity, confidence, and control by branding yourself as the only choice for hire.

# Transitional periods are difficult. I can help.

Dr. Greta Oliver has over 30 years of experience in guiding people through difficult periods of life such as navigating college as a first-generation student or the workforce.
