

OKLAHOMA CITY PIONEERS

Allie Rupkalvis

Oklahoma City is a bustling metropolitan city that has a rich history and a football-loving population.

With a population of nearly 700,000 people, Oklahoma City ranks as the 20th largest city in the United States.

This ranking comes before the cities of 17 current NFL teams, and Oklahoma City already has an NBA team, the Thunder.

WHY OKC?

LOGO

The name Pioneers relates back to the development of Oklahoma City by settlers in 1889 during the Land Runs.

This was after many indigenous tribes were forced out of their land by Congress via Trail of Tears. Pioneers, known as Boomers, campaigned to settle in the Unassigned Lands, creating the Oklahoma Territory.
