GRETA OLIVER CONSULTING: VALUES, MISSIONS AND GOALS

Greta Oliver Consulting is:

- A hands-on consulting business that provides practical tools and insight for educational, professional and personal transition.
- Dr. Oliver specializes in providing consulting and training in student development, career coaching and leadership development.

Our mission:

- This organization serves to train and advance skills, thus helping clients overcome doubt while continuing their progress as professionals and people.
- Dr. Oliver's motto is, "I'm in the business of changing lives, one person at a time."

Strategic goals:

- Provide individual and team development courses and lectures.
- Remain as a positive resource through EducateU podcast and "Roadmap" series.
- Deliver candid and introspective recount of personal experiences, challenging her audience to learn from the mistakes of others.

How was it started?

After 30 years of working within the education and university system, Greta Oliver, Ph.D., saw the significant need that students and professionals had for support. Dr. Oliver began her company, Greta Oliver Consulting, in 2012 with hopes of using her experience to help students and adults in transition.

How to get involved?
