## SKILLS

## PROFILE

With over 28 years of experience in the footwear industry, I am a seasoned Footwear Technical Manager with expertise in design, product development, and technical management. I have led teams and overseen global collections for brands like ZARA, STR, and BERSHKA during my tenure at Tempe Grupo Inditex. My experience spans both Asian and European markets, focusing on cross-cultural management, quality control, and supplier collaboration.

## EXPERIENCE

**MORA STUDIO**General manager

*Dongguan China ,Alicante Spain( Sep 2022-present)*

MoraStudio specializes in footwear design, technical development, and consulting services for international brands. The company offers expert guidance from concept to final production, helping clients create innovative and high-quality collections.

**TEMPE GRUPO INDITEX**Asia Technical Manager

*Dongguan, China (March 2019 - July 2022)*

Led the technical management for all Tempe brands (ZARA, STR, P&B, BERSHKA, etc.), overseeing technical and development teams across Asia from the regional office.

Asia Zara Basic Technical Manager

*Guangzhou, China (April 2015 - March 2019)*

Managed technical operations for ZARA's basic collections, focusing on development, fitting, and quality control from the Tempe Asia office.

Technical Designer

*Torrelano, Spain (January 2013 - April 2015)*

Responsible for the technical design of ZARA's basic footwear collections. Duties included construction, paper pattern development, fitting adjustments, and corrections, working closely with local suppliers in Asia and sample rooms.
