(xiv) All players participating in League competitions must be registered with the League and be members of League Clubs. For registration, each club secretary shall send on the form provided a list of club players to the League Match & Registration Officer before the first match of each season. Additional players may be registered, on individual registration forms, before participating in a match. No player may be registered after 31st January in the current season, except by permission of the Executive.

(xv) In all events organised by the League, players shall wear predominantly white sport clothing. This will preclude, for example, the wearing of coloured sweaters and track suits (as a whole or in part).

(xvi) Any player having registered for one club and wishing to play in League matches for another club during the same season may apply to the Executive for a transfer to the last mentioned club. A form of application to transfer must be purchased from the League Match & Registration Officer at a fee of 25p and must be duly completed and deposited with the League Match & Registration Officer not less than seven days before the first match in which the player intends to play for his or her new club. Any club wishing to object under this clause must lodge such objection in writing, giving full particulars, with the League Secretary. The suspension by the Executive of any registration under this rule shall be operative only until the defaulting player shall have discharged his or her obligations to the objecting club.

(vi) (a) All matches shall be played under the laws of badminton, and in the particular week appointed by the Executive, unless written permission to re-arrange a match has been obtained from the League Match & Registration Officer.

(b) applications to re-arrange a match, giving full reasons therefor, must be in writing and delivered to the League Match & Registration Officer.

(vii) The home club shall have the sole responsibility to decide on which night during the appointed week the match shall be played and shall give at least fourteen days notice thereof to the visiting club.

(viii) All matches shall commence not later than 7 p.m. and the actual time of starting shall be marked accurately on the score sheet. In the event of a hall not being available for play at 7 p.m., prior approval for the use of the hall for matches must be obtained from the Executive.

(ix) The home club shall give fourteen days notice to the visiting club of which events it desires to play at 7 p.m. and 7-15 p.m. respectively and it shall be the duty of each club to ensure that its players in such two events are available for play at the times stated.

(x) The order of play in all events shall be in accordance with the requirements of the home captain.

(xi) In the event of any delay arising in the commencement of any match the reason therefor shall be entered on the back of the score sheet and signed by both captains. In any such event the Executive.

(a) may require both captains to appear before a Committee for the purpose of explaining the delay.

(b) may impose on the club found to be at fault such fine or penalty as they may in their absolute discretion deem adequate.

(xii) No player selected to play in a particular match shall be eligible to play in the match unless he or she is present and ready to play by 8-15 p.m. except by mutual agreement.
