As a well established family business in Southport, Master Lock and Safe are delighted to be given the opportunity to sponsor the Southport and District Badminton League for a third year.

The start of your badminton season in 2012 will follow the completion of both the Olympic and Paralympic Games, occasions that show what passion, dedication and human endurance it takes to achieve such outstanding sporting results.

We hope that the ongoing legacy promised by the Games will have a beneficial effect in our local area, especially in the sport of Badminton and that the membership of these clubs will continue to flourish.

Wishing you all a successful and enjoyable season.

# LEAGUE A.G.M. APRIL 24th 2013

**A.G.M. AGENDAS AVAILABLE FROM CLUB SECRETARIES IN MID-MARCH**

## CHAIRMAN'S MESSAGE

It gives me great pleasure to once again extend a warm welcome to everyone involved with badminton in the Southport and District Badminton League for the 2012/2013 season. Whether you are a player, club official, volunteer or avid supporter and follower of the sport I sincerely hope all of you enjoy the season.

As you read this message you will hopefully have had the opportunity to watch, either in person or via television badminton played by the top players in the World at the 2012 Olympic Games in London. The play itself may well have revitalised some of you who may have been undecided about playing in the League this season or indeed rekindled enthusiasm for others who might be returning to the sport. It is good to have you playing badminton and particularly in your local League which continues to flourish.

Once again the League is indebted to Martin and Diane Taylor of Master Lock and Safe who continue their sponsorship of the League which provides a vital source of income for the running of League affairs. Also the contributions of those individuals and companies who have taken out advertisements in our Handbook are also very important for the League's finances.

Last season saw the introduction of the sealed handicap for all Watkinson Trophy matches. The feedback from players and Clubs to keeping the handicap unknown until after the match has finished has been positive and it will continue for this season. The Cups and Shields committee also introduced a change of format to the Shield competitions so that each team member played in 3 events. Again the response has been positive although some players have suggested it prolongs the match by too much. This format will also continue for 2012/2013.

The entries for the various League Tournaments over the past few seasons have been much smaller than one would like. I would urge all of you to have a go at a tournament(s) and put in your entry. After all it is your League and your Tournaments so please give them your support. Tournament dates and entry details are given within this Handbook.

Many of you, if not all, will know the name Jack Henderson. It is synonymous with the Southport and District Badminton League as Jack has been involved with badminton over several decades. For the last 23 years Jack has been President of the League, a task he has carried out with enthusiasm and vigour. Like all of us he is not getting any younger and he has decided to step down as President. At its June meeting, the League Executive on hearing Jack's decision, unanimously decided to invite him to become a Life member of the League. I am pleased to say that Jack has accepted the League's offer.

Finally to all of you I wish you well for the season ahead and hope that you get as much enjoyment out of badminton as you deserve.

*Best wishes*  
Malcolm Banham, Chairman

## LEAGUE COACH

The coach for the Southport and District Badminton League is: Mr. Adam Taylor - 01704 569358.

A qualified coach will come to your club to organise sessions to suit your own requirements. The number of sessions can be arranged with the coach.

Costs: The club requesting coaching is responsible for supplying the hall and shuttles and paying the coach's travelling expenses. As the coach probably lives locally these will be minimal.

- (b) An eligible substitute, if present at the match at the time of an injury may be used. Such substitution shall be direct, the substitute being assumed to be of an equivalent standard to the injured player. ***ARE PLEASED TO SUPPORT THE  
SOUTHPORT and DISTRICT  
BADMINTON LEAGUE***

## THE CUPS, COMPETITION REGULATIONS

1. The competitions shall be played annually between teams in the League on a knock-out basis and the League Executive shall be responsible for the organisation, including seeding and the draw for each round.
2. (a) Teams in the First division and any club that does not have a team in the First division but wishes to enter a representative team, shall be given free entry to the Hudson Cup competition.
- (b) Teams in the second and lower divisions shall be given free entry to the appropriate cup competition for their divisions and the Executive, at their first meeting each season, shall decide which teams shall enter each competition.
3. (a) Matches shall consist of 3 men's doubles, 3 women's doubles and 2 mixed doubles. Each of the eight events will be the best of 3 games to 21 points (extended games if required) using the rally points scoring system. 1st and 2nd men's doubles and women's doubles **MUST** be played in order of strength as **MUST** both mixed doubles pairs. 3rd men's doubles has to be made up of one man from the 1st men's doubles and one man from the 2nd men's doubles. 3rd women's doubles has to be made up from one woman from the 1st women's doubles and one woman from the 2nd women's doubles. The 2 men and 2 women NOT playing in the 3rd men's/women's doubles make up the 2 pairs of mixed doubles. It is for each team captain to decide which of their players from the 1st and 2nd men's/women's doubles play in the 3rd men's/women's doubles. In all other respects matches will be played within the rules applicable to league matches.
- (b) The order of play, unless mutually agreed otherwise, shall be all of the 3 men's and 3 women's doubles followed by the 2 mixed doubles.
- (c) Team captains **MUST complete their teams on both copies of the score sheet PRIOR to the start of the match** and BOTH SHEETS, duly completed **must** be returned **by the winners** to the Cups and Shields Officer within 48 hours of the completion of the match, or the winners may be disqualified.
- (d) Matches shall be decided on the number of the events won. If a match is tied on events then the tie is won by the team winning the most number of games. Should there still be a tie then the team with the most points will be the winner. If the match still remains tied on events, games and points, then the match shall be replayed on the court of the team playing away in the original match. Where a further tie is required, the captains shall spin a coin to decide the choice of court for the next replay.
4. (a) No player may play in more than one of the second and lower divisional Cups or in more than one team in each Cup Competition unless:
  - (i) a player from a lower team who is of equal or lesser standard than those in the higher team
 In case of doubt about a player's eligibility then permission must be sought from the Chairman of the Cups and Shields Committee prior to the player playing in the Cup match.
- (b) No player may play for more than one club in the Cup Competitions.
- (c) Any player being nominated for a club team at the beginning of the season may not play in a lower team cup competition for that club.
- (d) Once a player has played for a team in the second division or a lower divisional Cup competition that player is tied to that team for that Cup competition for the remainder of the season unless 4(a) applies.
5. (a) It shall be the sole responsibility of the home team to decide on which night during the appointed week the match shall be played.

5. **Higher Team Play Eligibility**
- 5.1 Where a club has more than one team, whether in the same division or different divisions, a player from a lower ranked team can play in a higher ranked team provided that player is of an equal or lower standard than those players in the higher team.
- 5.2 When a player from a lower ranked team plays in a higher ranked team as per rule 5.1, but the player is considered by the Executive not to be of an equal or lower standard than those players in the higher team, then that player will be regarded as ineligible. Where a team plays such an ineligible player then rule 2.10 will apply.
6. **Divisional Champions, Promotion and Relegation**
- 6.1 Promotion and relegation shall be decided by the Executive at its first meeting.
- 6.2 The team securing most points in each division shall be the champion team of that division and shall be entitled to the custody of the championship trophy of that division until the succeeding annual general meeting.
- 6.3 Points shall be awarded as follows:-
- 3 points for a win on events
  - 2 points for a tie on events but a win on games
  - 2 points for a tie on events and games but a win on aces
  - 1 point for a tie on events but a loss on games
  - 1 point for a tie on events and games but a loss on aces
  - 1 point for a tie on events and games and on aces
- 6.4 Where two teams secure the same number of points, the number of events won shall be the deciding factor. Where the teams are still equal, then the greatest difference between games won and games lost shall be the deciding factor. Where there is still a tie, then the difference between aces won and aces lost shall be the deciding factor. Should the teams still remain equal then the deciding factor based on the above criteria will apply to the combined results of the 2 matches played by the 2 teams against each other during the season.
- 6.5 At least one team from the 2nd and lower divisions shall be promoted.

- 9.1.1 neither side shall cause undue delay to the delivery of the service once the server and the receiver are ready for the service. On completion of the backward movement of server's racket head, any delay in the start of the service (Law 9.2), shall be considered to be an undue delay;
  - 9.1.2 the server and the receiver shall stand within diagonally opposite service courts without touching the boundary lines of these service courts;
  - 9.1.3 some part of both feet of the server and the receiver shall remain in contact with the surface of the court in a stationary position from the start of the service (Law 9.2) until the service is delivered (Law 9.3);
  - 9.1.4 the server's racket shall initially hit the base of the shuttle;
  - 9.1.5 the whole shuttle shall be below the server's waist at the instant of being hit by the server's racket. The waist shall be considered to be an imaginary line round the body, level with the lowest part of the server's bottom rib;
  - 9.1.6 the shaft of the server's racket at the instant of hitting the shuttle shall be pointing in a downward direction;
  - 9.1.7 the movement of the server's racket shall continue forwards from the start of the service (Law 9.2) until the service is delivered (Law 9.3);
  - 9.1.8 the flight of the shuttle shall be upwards from the server's racket to pass over the net so that, if not intercepted, it shall land in the receiver's service court (i.e. on or within the boundary lines); and
  - 9.1.9 in attempting to serve, the server shall not miss the shuttle.
- 9.2 Once the players are ready for the service, the first forward movement of the server's racket head shall be the start of the service.
- 9.3 Once started (Law 9.2), the service is delivered when the shuttle is hit by the server's racket or, in attempting to serve, the server misses the shuttle.
- 9.4 The server shall not serve before the receiver is ready. However, the receiver shall be considered to have been ready if a return of the service is attempted.
- 9.5 In doubles, during the delivery of service (Law 9.2, 9.3), the partners may take up any positions within their respective courts, which do not unsight the opposing server or receiver.

3.2 The home team shall be responsible for ensuring that the completed score sheet is received by the League Match Officer within 5 days of the match being played. Failure to comply with this rule will result in a penalty not exceeding £20 being imposed by the Executive.

3.3 In the event of any occurrence arising under 2.4, the Executive may require both captains to appear before the League Match Committee for the purpose of explanation and may impose on the club found to be at fault such fine or penalty as they may in their absolute discretion deem adequate.

## 4. Players' Eligibility

4.1 All players participating in League competitions must be registered with the League and be members of League clubs. For registration, each club secretary shall send on the form provided together with required fees, a list of club players to Badminton England, before the first match of the season. Additional players may be registered on individual registration forms, together with required fees which must be sent to Badminton England before participating in any match or tournament of any kind. No player may be registered after 31st December in the current season except by permission of the Executive. Each year information about new fees will be sent to each club.

4.2 No player may participate in League competitions until the player's Badminton England and LCBA fees have been remitted to Badminton England.

4.3 Each club must provide the League Match Chairman with a list of their registered players, who must be assigned to one of their club's teams, before the first match of the season. The name(s) of any additional player(s) that a club wishes to register, as permitted in 4.1, must be sent and received by the League Match Chairman, together with the team to which they are assigned, before the player participates in any League competition.

4.4 Any player who participates in a League competition and whose registration with the League has not been effected before they play (4.1 and 4.3 refer), will be regarded as an ineligible player. If a team plays such an ineligible player then that team shall forfeit the match.

4.5 No player is eligible to play in a lower ranked team to the one they are assigned as required by 4.3. Any player who plays in a lower ranked team to the one to which they were assigned (4.3 refers) will be regarded as ineligible. Where a team plays such an ineligible player, then rule 2.10 will apply. A player will not be regarded as ineligible if a subsequent change has been made to the player's assigned team provided it has been notified to and approved by the League Match Chairman.

4.6 Any player having being registered for one club and wishing to play in league matches for another club during the same season may apply to the Executive for a transfer of their registration to the last mentioned club. A form of application to transfer, which must also state the team to which the player will be assigned, must be duly completed and deposited with the League Match Chairman not less than 7 days before the first match in which the player intends to play for his/her club. No player may be transferred in the current season except by permission of the League Match Committee. The player shall not play for the new club until he/she has received notification from the League Match Chairman that the transfer of their registration has been completed.

4.7 No club shall have the right to object to the registration of any player with another club except where the player is not clear on the books of the objecting club in respect of monies outstanding. Any club wishing to object under this rule must lodge such objection with the League Secretary, in writing, without undue delay, giving full particulars. The suspension by the Executive of any registration under this rule shall be operative only until the defaulting player shall have discharged his/her obligations to the objecting club.

2. **Match**
- 2.1 Each match shall consist of four mixed doubles, two men's doubles and two women's doubles; each event shall consist of the best of three games to 21 points (extended games if required) using rally points scoring. No player may play more than one like event nor in more than one match in any one night.
- 2.2 Captains must complete their teams on the match score sheet before the start of the match. Pairs must be played in order of strength otherwise, at the discretion of the Executive, events or the match may be forfeited.
- 2.3 Where a Club has two or more teams in the same division, it is expected that in matches between them the higher ranked team will prevail. However, the League Executive recognise that this will not always be the case and when such an eventuality occurs, will judge the circumstances accordingly.
- 2.4 The actual time of starting the match must be marked accurately on the score sheet. In the event of any delay arising in the commencement of any match, or any occurrence resulting in the match not being completed the reasons therefore shall be entered on the back of the score sheet and signed by both captains.
- 2.5 Feather shuttlecocks, of a standard to be determined by the Executive, shall be used in League matches and competitions.
- 2.6 In all events organised by the League, coloured clothing may be worn. In order to ensure attractive presentation of badminton, all clothing should be acceptable badminton sports clothing and, wherever possible, doubles partners are asked to try and wear the same colours. Track suits shall not be worn during match play except by agreement of both captains.
- 2.7 The order of play in all events shall be in accordance with the requirements of the home captain.
- 2.8 To be eligible to play in a particular match a player must be present and ready to play by 8.15pm. This may be extended to 8.30pm by mutual agreement on or before the date the match is played. Prior to 8.15pm (extended to 8.30pm by mutual agreement) a team can substitute a player already entered on the match score sheet and who has not yet played in that match provided the substitute is of equal or lesser standard than the player originally named.
- 2.9 Where a player is not present by 8.15pm (extended to 8.30pm by mutual agreement) and a substitute has not been used, as per rule 2.8, then the opposing team captain shall regard all the games in which the absent player would have played as being forfeited. The captain must inform the opposing captain immediately that he/she regards the games of the absent player as forfeited, and the games involved must be entered on the Match Score Sheet as 21.0 and identified by W/o (Walkover).
- 2.10 Where a team plays an ineligible player, that player must play at 4th mixed and 2nd Men's/Women's Doubles and the opposing captain notified. If a team plays an ineligible player other than as stated, then that team shall forfeit the match.
- 2.11 In the event of any player being incapacitated after play in a match has begun so that he or she cannot continue playing, a captain shall be entitled to include a substitute of an equal or lesser standard in any subsequent event in which the incapacitated player should have taken part provided that the injury or other incapacity was caused entirely after play in the match had begun and was not solely due to tiredness or the worsening of an existing ailment.
- 2.12 Any comments/complaints entered on the reverse of the Match Score Sheet must be acknowledged by way of signature by a representative from both teams, prior to the submission of the Match Score Sheet to the League Match Officer.
- 2.13 In the event of a match not being played it shall NOT be conceded without permission being sought and obtained from the League Match Officer.
3. **Post-match**
- 3.1 The home team is responsible for ensuring that the result of all league matches is sent to the Press Officer, Simon Dart either via email or text within 24 hours of the match being played.

## APPENDIX

### RULE 5c - COMPETITION

#### 1. Pre-match

1.1 All matches shall be played under the Laws of Badminton with each court having a minimum playing standard as decided by the Executive. Unless prior permission to re-arrange a match has been obtained from the League Match Officer, see 1.4, matches shall be played in the particular week appointed by the Executive.

1.2 The home club shall have sole responsibility for deciding which night during the appointed week the match shall be played, what time play shall commence and which two events shall be played first, giving at least 14 days notice to the visiting club. It will be the duty of both clubs to ensure that its players are available for those events at the agreed time.

1.3 All matches shall commence not later than 7pm. In the event of a hall not being available for play at 7pm, prior approval for the use of the hall for matches must be obtained from the Executive.

1.4 Permission to re-arrange a match, which must be obtained by the Match Secretary from the League Match Officer, will only apply in the following circumstances:

- (a) The Home Club's hall is not available in the week the League fixture is due to be played
- (b) A Cup, Shield or Trophy match has to be played in the same week as the League Fixture by the home or away team and both matches cannot be played; or
- (c) A Club's lowest team is unable to field 8 players.

For re-arranged fixtures under (a), (b) or (c), permission must be **sought as soon as possible**. After 30 September in the current season not more than 2 postponements per team per season may be requested under (c) above. No postponement will be permitted within 48 hours of the start of the match where (c) applies.

Failure to comply with this Rule will result in the Executive imposing a penalty not to exceed £30 and/or 3 points being deducted from either or both teams. For all re-arranged fixtures due to (c), where the away team seeks such a postponable, a payment of £20 to defray such expenses will be made by the away team to the home Club.

1.5 Matches can only be re-arranged (see 1.4) by Match Secretaries and must be completed within 56 days of the original match date. Failure to comply with this rule will result in a penalty not exceeding £20 being imposed by the Executive on either or both teams and the League Match Officer will direct when and where the match be played.

- (b) All items to be placed on the agenda of the Annual General Meeting, including nominations for office and for the Executive, shall be sent in writing to the General Secretary so as to reach him not later than 28th February in the same year.
- (c) Not less than 14 days notice of any general meeting shall be given. Written notification to each affiliated club secretary, which shall include the agenda for the meeting shall be deemed to be sufficient notice of the Annual General Meeting.
- (d) An Extraordinary General Meeting shall be convened upon a resolution of the League Executive or at the written request to the General Secretary of not less than 20 members being representative of at least 6 member clubs. Such requests shall state the purpose for which the meeting is required and no other business shall be transacted. The meeting shall be held within one month of such requisition being received by the General Secretary and the notice and agenda shall be circulated to all member club secretaries at least 14 days in advance.
- (e) Accidental omission to give the required notice to any Club Secretary shall not invalidate the proceedings at a general meeting.
- (f) All registered players of the League shall be entitled to attend and vote at any general meeting of the League.
- (g) Voting shall be by show of hands unless any 6 persons present (who are entitled to vote) demand a ballot.
- (h) No member may vote by proxy.
- (i) No individual may have more than one vote, except the Chairman of a meeting who shall have a casting vote.
- (j) At all General Meetings 20 members entitled to vote shall form a quorum.
- (k) If there is no quorum for:-
  - (i) an Extraordinary General Meeting, the motion(s) on the agenda shall be deemed to have been defeated and the meeting concluded.
  - (ii) an Annual General Meeting, it shall be adjourned and another notification shall be circulated without a time restriction. At the adjourned meeting the members present shall form a quorum.

## 7.-FINANCE

- A. The Financial year of the League shall end on 31st March.

- E. Any Club whose annual subscriptions, as in 'B' above, remain unpaid after 1st October each year shall be liable to such a penalty as the Executive may decide.

## SHUTTLE TESTING

One thing that most league members seem to agree on is the fact that the overall standard of feathered shuttlecocks is dropping.

Whereas there is little your League Executive can do to influence the quality and consistency of the shuttle manufacturers' product, we can at least try to ensure standardisation of speed.

It would appear that opinions of what speed a shuttle should be and more importantly how to test it vary greatly throughout all the divisions.

In order to clarify precisely what constitutes testing a shuttle we have printed below the relevant extracts from the LAWS OF BADMINTON and included a diagram of distances and tolerances to show where a tested shuttlecock should land from a full underhand stroke which makes contact with the shuttle over the back boundary line. The shuttle shall be hit at an upward angle and in a direction parallel to the sideline.

## GUIDANCE ON RALLY POINTS SCORING

### Scoring System

- A game consists of 21 points.
- In all League and Cup matches at 20 all, the side which gains a 2 point lead first, wins that game. (extended game).
- If the score reaches 29 all, then the side scoring the 30th point, wins that game.
- For Watkinson Trophy events a game consists of 25 points and there is no extended game i.e. a game can be won 25/24.
- For Shield matches a game consists of 30 points and there is no extended game i.e. a game can be won 30/29.
- In all matches, the side winning a rally adds a point to its score.
- The side winning a game serves first in the next game. This does not apply to Shield matches as each event consists of one game only.

### Change of Ends

- When a third game is played in all League and Cup Matches, players change ends when a side has scored 11 points.

### Serving, Receiving and Determination of Service Courts

- There is only one serve in doubles on each occasion a side has the right to serve.
- When a serving side loses the serve the next time the service comes back the player who did not serve on the last occasion becomes the new server.
- Service is from the right hand court at the beginning of the game and when the serving's side score is even, and from the left hand court when the serving's side score is odd.
- If the serving side wins a rally, the serving side scores a point and the same server serves again from the alternate service court. A player will continue to serve until his side loses a rally.
- If the receiving side wins a rally, the receiving side scores a point. The receiving side becomes the new serving side and the player in the appropriate court for the score (even-right; odd-left) of the new serving side will serve.
- The player of the new receiving side who served last stays in the same service court from where he served last. The reverse pattern applies to the receiver's partner.
- Players do not change their respective service courts until they win a point when their side is serving.
- If players commit an error in the service court, the error is corrected when the mistake is discovered but the score remains unaltered.
