SEASON 1972-73

The League continued to grow apace and 64 teams in 7 divisions competed for various team cups and shields as well as divisional honours.

For the first time in many decades the Hawks position as the premier club appeared to be in doubt when they were convincingly beaten by Southbank Road in the first league match between the teams. However the return fixture was something of an anticlimax and the champions maintained their position.

Woodvale continued their splendid drive through the divisions and, heading division II, have finally reached their deserved place in division I where they will find the going severe.

Amateurs II and Stanley were by far the outstanding leaders of divisions III and IV while Drill Hall club staved off the challenge from Pilkingtons to take division V.

Division VI was easily won by a youthful Drill Hall second string but an excellent finish in division VII left Birkdale Youth Centre level on points with Drill Hall III who however topped the division on games won.

A crowded hall at Southbank Road watched an enthralling clash between the Hawks and Southbank Road for the Hudson Cup which was retained by the Hawks who, after their early season defeat by Southbank, approached this match in much more determined fashion.

Southbank Road had yet again won the Hackney Cup and the strength of the club was apparent when Southbank III won the St. Pauls Cup although not before some close matches notably against Woodvale and Amateurs II.

The opportunity was taken to play the three finals of the handicap competitions at one venue and, except for some disturbance to games on adjacent courts, a splendid evening's entertainment it turned out to be.

Congratulations to Hesketh Shield winners, Woodvale, who came right through from the preliminary round and recorded good victories against West End, Amateurs, Churchtown and, in the final, St. Peters.

The League Shield went to St. Cuthberts II who beat Amateurs IV before noisy and partisan spectators who, however, were well matched by the jubilant Leyland Road supporters who cheered their third team to victory in the new St. Johns Shield competition.

The junior league continues to flourish and the kind donation of further trophies enabled under 14 and under 17 divisional team knockout competitions to be organised.

In the inter-league competition for the Littlewood Cup, Southport's premier side had mixed results and never managed to field its strongest team. Nevertheless the team finished in third place and could have finished second but were never likely to disturb the all powerful Manchester side at the head of the league.

Six more teams are welcomed to the League for the coming season and the formation of eight divisions must be imminent.

A new handicap trophy will be played for during the season and, in view of the novel handicapping system, it is hoped that the settling in period will pass smoothly.

M.R.E.H., July, 1973.

6. The order of play in all matches shall be in accordance with the requirements of the home team captain except in the final round when it shall be the responsibility of the official in charge of the match. No player shall have to play two events consecutively without a ten minutes break between.

7. (a) If a player is injured during a match and is unable to continue, the score in the game in which the injury occurred shall:—

(i) if the game were completed, stand.

(ii) if the game were not completed, be recorded as a win for the opposing pair with the injured player's team being credited with the score at the time of injury.

(b) A substitute, if present at a match prior to 8.15 p.m. is eligible to replace an injured player. Such substitution will be direct, the substitute being assumed to be of equivalent standard to the injured player for the time of the match, and points scored by the substitute shall count to the team's advantage.

(c) A team may replace an injured player with an ineligible player subject to the approval of the opposing captain. Such substitution shall be direct as in 7(b) above but all games involving the ineligible player shall be deemed to be lost with the ineligible player failing to score.

(d) Once replaced by a substitute, an injured player shall not take part again in the match.

8. (a) Exceptionally an ineligible player may be played at 4th mixed doubles and 2nd men's/ladies doubles but the opposing team captain must be told prior to the start of the match.

(b) The scores in each game shall count as 15-0 to the opposing team.

(c) If an ineligible player is played other than as stated in 7(c) or 8 (a) then the match shall be forfeit to the opposing team.

(c) The decision of the Executive Committee regarding any application under b.1. or nomination under b.2. above shall be final.

(d) Any club playing an ineligible player shall, at the discretion of the Executive Committee, forfeit all games and points won by that player while he or she was ineligible.

- (x) The order of play in all events shall be in accordance with the requirements of the home captain.
- (xi) In the event of any delay arising in the commencement of any match the reason therefor shall be entered on the back of the score sheet and signed by both captains. In any such event the Executive Committee
