We are once again delighted, as a well-established family business, to have the opportunity to continue our sponsorship of the Southport and District Badminton League.

As we embark on our 9th season of our unique association with the League, which itself has been in existence for a considerable period of time, our support remains as strong as ever. It is extremely encouraging and reflects well on all of you connected to the League, that the Southport and District Badminton League continues to flourish and go from strength to strength. We sincerely hope that such a trend continues.

It is true that badminton can and is played by all ages which provides the positive aspects of exercise enjoyed by all. The League also offers younger players the opportunity and encouragement to progress and again this is something we firmly believe in.

We wish all of you an enjoyable and rewarding season and look forward to seeing some of you during the year.

With our very best wishes

Martin & Di Taylor

Chairman's Message

With the 2019/2020 season almost with us it is so pleasing to reflect that this badminton year ahead of us will be the 87th season since the Southport and District Badminton League was founded. That is some achievement and is a credit to all who are playing/ have played or contributed voluntarily to the sport. Not only does our League continue to flourish but has the largest number of players registered in any League in Lancashire. Long may this continue.

To all of you, whether players, club officials or supporters/spectators I welcome you to yet another season and hope you get continued

enjoyment from the badminton played within our League.

I am delighted that the League's sponsor, Master Lock and Safe, continues to provide invaluable support not only financially but through attendance at various finals, events during the season. As they embark on their 9th season of sponsorship, the contribution to the League by Martin and Di Taylor should not be underestimated.

Following discussion at the AGM in April, the view of members present at that meeting was that a hard copy of the League's handbook should continue to be produced and provided to all members. To achieve cost neutrality of this publication, it is vital that the League attracts enough advertisers willing to advertise in the handbook. I would urge all of you to consider whether you, an individual or a business would be willing to purchase an advert. If you do, then please contact me for more information. My contact details are included in this handbook under the League Executive entry.

At the AGM it was also agreed that a Singles league should be introduced and, I am pleased to say that arrangements have been put in place for this to start this season. It is to be hoped that this venture will prove not only popular but enjoyable for those who wish to play singles competitively. Details relating to the Singles league will appear over the coming weeks on the League's website.

Another new initiative which hopefully will be introduced and tried out this season, is the opportunity for those who are interested, to attend over a weekend, trials for the League's town teams. This means that those who wish to be considered for a town team can do so by attending the event. Confirmation with details of time(s) and venue will be sent to all Clubs in due course if arrangements are able to be made for this season, as well as being advertised on the League's website. There will be a nominal charge for those taking part in the trials.

As I have stated previously your League Executive always endeavours to do its best on behalf of you, the members. It is never averse to considering proposals that if adopted would enhance the League. If you feel you have such a realistic, practical idea then please let me know and it can be considered by the Executive. After all the League operates for the benefit of its members.

Finally, I wish all of you, whether as a player, official or spectator best wishes for the season, and hope you get maximum benefit and enjoyment from the sport.

Kind regards

Malcolm Banham

Malcolm Banham (Chairman)

 - (ii) if the games were not completed, be recorded as a win for the opposing team with the injured player's team being credited with the score at the time of injury, subject to regulation 6(b) below.
- (b) An eligible substitute, if present at the match at the time of an injury may be used. Such substitution shall be direct, the substitute being assumed to be of an equivalent standard to the injured player. - 6.2 The team securing most points in each division shall be the champion team of that division and shall be entitled to the custody of the championship trophy of that division until the succeeding annual general meeting.
- 6.3 Points shall be awarded as follows:
 3 points for a win on events
 2 points for a tie on events but a win on games

 1 point for a tie on events and games and on aces
- 6.4 Where two teams secure the same number of points, the number of events won shall be the deciding factor. Where there is still a tie, then the difference between aces won and aces lost shall be the deciding factor. Should the teams still remain equal then the deciding factor based on the above criteria will apply to the combined results of the 2 matches played by the 2 teams against each other during the season.
- 6.5 At least one team from the 2nd and lower divisions shall be promoted.

- 4.6 In all events organised by the League, coloured clothing may be worn. In order to ensure attractive presentation of badminton, all clothing should be acceptable badminton sports clothing and, wherever possible, doubles partners are asked to try and wear the same colours. Track suits shall not be worn during match play except by agreement of both captains.
- 4.7 The order of play in all events shall be in accordance with the requirements of the home captain.
- 4.8 To be eligible to play in a particular match a player must be present and ready to play by 8.15pm. This may be extended to 8.30pm by mutual agreement on or before the date the match is played. Prior to 8.15pm (extended to 8.30pm by mutual agreement) a team can substitute a player already entered on the match score sheet and who has not yet played in that match provided the substitute is of equal or lesser standard than the player originally named.
- 4.9 Where a player is not present by 8.15pm (extended to 8.30pm by mutual agreement) and a substitute has not been used, as per rule 4.8, then the opposing team captain shall regard all the games in which the absent player would have played as being forfeited. The captain must inform the opposing captain immediately that he/she regards the games of the absent player as forfeited, and the games involved must be entered on the match score sheet as 21.0 and identified by W/O (Walkover).
- 4.10 Where a team plays an ineligible player, that player must play at 4th mixed doubles and 2nd men's/women's doubles and the opposing captain notified. This rule does not apply to an unregistered player who is dealt with under 1.3. If a team plays an ineligible player other than as stated, then that team shall forfeit the match. In a match between two teams from the same Club where an ineligible player has played, except at 4th mixed doubles and 2nd men's/women's doubles, then the match shall be declared null and void. No points will be awarded to either team in such circumstances.
- 4.11 In the event of a player being incapacitated after play in a match has begun so that he or she cannot continue playing, a captain shall be entitled to include a substitute of an equal or lesser standard in any subsequent event in which the incapacitated player should have taken part provided that the injury or other incapacity was caused entirely after play in the match had begun and was not solely due to tiredness or the worsening of an existing ailment.
- 4.12 Any comments/complaints entered on the reverse of the match score sheet must be acknowledged by way of signature by a representative from both teams, prior to the submission of the match score sheet to the League Match Secretary.
- 4.13 In the event of a match not being played it shall NOT be conceded without permission being sought and obtained from the League Match Committee.
- 5. Post-match**
- 5.1 The home team shall be responsible for ensuring that the completed score sheet, whether submitted electronically or hard copy, is received by the League within 72 working hours of the match being played. Failure to comply with this rule will result in a penalty not exceeding £20 being imposed by the Executive.
- 5.2 In the event of any occurrence arising under 4.4, the Executive may require both captains to appear before the League Match Committee for the purpose of explanation and may impose on the Club found to be at fault such fine or penalty as they may in their absolute discretion deem adequate.
- 6. Divisional Champions, Promotion and Relegation**
- 6.1 Promotion and relegation shall be decided by the Executive at its first meeting.

- 3.4 Permission to re-arrange a match, which must be obtained by the Match Secretary from the League Match Chairman, will only apply in the following circumstances.
- (a) The home Club's hall is not available in the week the League fixture is due to be played; or
 - (b) A Cup, Shield or Trophy match has to be played in the same week as the League fixture by the home or away team and both matches cannot be played; or
 - (c) A Club's lowest team is unable to field 8 players.
- For re-arranged fixtures under (a), (b) or (c), permission must be sought as soon as possible. After 30 September in the current season not more than 2 postponements per team per season may be requested under (c) above. No postponement will be permitted within 48 hours of the start of the match where (c) applies. Failure to comply with this rule will result in the Executive imposing a penalty not to exceed £50 and/or 3 points being deducted from either or both teams. For all re-arranged fixtures due to (c) where the away team seeks such a postponement, a payment of £40 to defray such expenses will be made by the away team to the home Club.
- 3.5 Matches can only be re-arranged (see 3.4) by match secretaries and must be i) played as soon as possible and ii) within 56 days of the original match date or by the last league week of the season (normally L 18), whichever is the earlier. Any request to play a re-arranged match beyond L 18 must be authorised beforehand by the League Match Chairman. The home match secretary shall, within 7 days of the date the original match was due to be played, offer 2 dates to the away match secretary for the re-arranged match to take place. One of these dates shall be agreed for the fixture to be played **UNLESS** the away team has matches **ALREADY** arranged for both dates offered. The home team will then offer a 3rd date in such circumstances. All of the dates offered shall provide 14 days' notice unless otherwise mutually agreed. The date agreed must be notified immediately by the home match secretary to the League Match Chairman. Failure to comply with this rule will result in a penalty not exceeding £20 being imposed by the Executive on either or both teams.
- 3.6 In the event that no agreement is reached by Clubs as per 3.5 above, then the League Match Chairman will direct when and where the re-arranged match shall be played. Both Clubs will share the hire cost of the venue.

4. Match

- 4.1 Each match shall consist of four mixed doubles, two men's doubles and two women's doubles, each event shall consist of the best of three games to 21 points (extended games if required) using rally points scoring. No player may play more than one like event nor in more than one match in any one night.
- 4.2 Captains must complete their teams on the match score sheet before the start of the match. Pairs must be played in order of strength otherwise, at the discretion of the Executive, events or the match may be forfeited.
- 4.3 Where a Club has two or more teams in the same division, it is expected that in matches between them the higher ranked team will prevail. However, the League Executive recognise that this will not always be the case and when such an eventuality occurs, will judge the circumstances accordingly.
- 4.4 The actual time of starting the match must be marked accurately on the score sheet. In the event of any delay arising in the commencement of any match, or any occurrence resulting in the match not being completed, the reasons therefore shall be entered on the back of the score sheet and signed by both captains.
- 4.5 Feather shuttlecocks, of a standard to be determined by the Executive, shall be used in League matches and competitions.

- 1.3 Any player who participates in a League competition and whose registration with the League has not been effected before they play (1.1 and 1.2 refer) is not authorised to play in League competitions. If a team plays such an unregistered player or a NPL player without permission, the that team shall forfeit the match. However, if an unregistered player plays in a match between two teams from the same Club then that match shall be declared null and void. No points shall be awarded to either team in such circumstances.
- 1.4 No player is eligible to play in a lower ranked team to the one they are assigned as required by 1.1 and 1.2 Any player who plays in a lower ranked team to the one they are assigned (1.1 and 1.2 refer) will be regarded as ineligible. Where a team plays such an ineligible player then rule 4.10 will apply. A player will not be regarded as ineligible if a subsequent change has been made to the player's assigned team provided it has been notified to and approved by the League Match Chairman.
- 1.5 Any player having been registered for one Club and wishing to play in League matches for another Club during the same season may apply to the Executive for a transfer of their registration to the last mentioned Club. An application form to transfer, which must also state the team to which the player will be assigned, must be duly completed and deposited with the League Match Chairman not less than 7 days before the first match in which the player intends to play for his/her Club. No player may be transferred in the current season except by permission of the League Match Committee. The player shall not play for their new Club until he/she has received notification from the League Match Chairman that the transfer of their registration has been completed.
- 1.6 No Club shall have the right to object to the registration of any player with another Club except where the player is not clear on the books of the objecting Club in respect of monies outstanding. Any Club wishing to object under this rule must lodge such an objection with the League Secretary, in writing, without undue delay, giving full particulars. The suspension by the Executive of any registration under this rule shall be operative only until the defaulting player shall have discharged his/her obligations to the objecting Club.

2. Higher Team Play Eligibility

- 2.1 Where a Club has more than one team, whether in the same division or different divisions, a player from a lower ranked team can play in a higher ranked team provided that player is of an equal or lower standard than those players in the higher team.
- 2.2 When a player from a lower ranked team plays in a higher ranked team as per 2.1, but the player is considered by the Executive not to be of an equal or lower standard than those players in the higher team, then that player will be regarded as ineligible. Where a team plays such an ineligible player then rule 4.10 will apply.

3. Pre-match

- 3.1 All matches shall be played under the Laws of Badminton with each court having a minimum playing standard as decided by the Executive. Unless prior permission to re-arrange a match has been obtained from the League Match Chairman, see 3.4, matches shall be played in the particular week appointed by the Executive.
- 3.2 The home Club shall have sole responsibility for deciding which night during the appointed week the match shall be played and what time play shall commence, giving at least 28 days' notice to the visiting Club. It will be the duty of both Clubs to ensure that its players are available at the agreed time.
- 3.3 All matches shall commence not later than 7pm. In the event of a hall not being available to play at 7pm, prior approval for the use of the hall for matches must be obtained from the Executive.

Shuttle Testing

One thing that most league members seem to agree on is the fact that the overall standard of feathered shuttlecocks is dropping.

Whereas there is little your League Executive can do to influence the quality and consistency of the shuttle manufacturers' product, we can at least try to ensure standardisation of speed.

It would appear that opinions of what speed a shuttle should be and more importantly how to test it vary greatly throughout all the divisions.

In order to clarify precisely what constitutes testing a shuttle we have printed below the relevant extracts from the LAWS OF BADMINTON and included a diagram of distances and tolerances to show where a tested shuttlecock should land from a full underhand stroke which makes contact with the shuttle over the back boundary line. The shuttle shall be hit at an upward angle and in a direction parallel to the sideline.

Guidance on Rally Points Scoring

SCORING SYSTEM

- A game consists of 21 points.
- In all **League** and **Cup** matches at 20 all, the side which gains a 2 point lead first, wins that game. (extended game).
- If the score reaches 29 all, then the side scoring the 30th point, wins that game.
- For **Watkinson Trophy events** a game consists of 25 points and there is **no extended game** i.e. a game can be won 25/24.
- For **Shield matches** a game consists of 30 points and there is **no extended game** i.e. a game can be won 30/29.
- In all matches, the side winning a rally adds a point to its score.
- The side winning a game serves first in the next game. This does **not apply** to **Shield matches** as each event consists of one game only.

CHANGE OF ENDS

- When a third game is played in all League and Cup Matches, players change ends when a side has scored 11 points.

SERVING, RECEIVING AND DETERMINATION OF SERVICE COURTS

- There is only one serve in doubles on each occasion a side has the right to serve.
- When a serving side loses the serve the next time the service comes back the player who did not serve on the last occasion becomes the new server.
- Service is from the right hand court at the beginning of the game and when the serving's side score is even, and from the left hand court when the serving's side score is odd.
- If the serving side wins a rally, the serving side scores a point and the same server serves again from the alternate service court. A player will continue to serve until his side loses a rally.
- If the receiving side wins a rally, the receiving side scores a point. The receiving side becomes the new serving side and the player in the appropriate court for the score (even-right; odd-left) of the new serving side will serve.
- The player of the new receiving side who served last stays in the same service court from where he served last. The reverse pattern applies to the receiver's partner.
- Players do not change their respective service courts until they **win a point when their side is serving**.
- If players commit an error in the service court, the error is corrected when the mistake is discovered but the score remains unaltered.
