Dear Members,

Once again I would like to take this opportunity to extend a warm welcome to all members, new and old, of the **Hurst Insurance Services** Southport and District Badminton League.

Hopefully most of you will know this is the second year of sponsorship by H.I.S. and I am honoured to be associated with the League in this way.

Some of you may know me from my playing days but I hope that any member of the League who is thinking of taking any type of insurance or assurance out will feel free to contact myself for our help and advice.

**The League has negotiated a continued discount for all members of 10% off the first years premium of any assurance plan taken out with H.I.S.**

As well as this the member's Club can benefit and also the League itself would benefit.

All it leaves me to add is to wish every member a happy and successful season.

Yours sincerely,

John Hurst

## SERVICE (Law II)

- 11.1 In a correct service:
  - 11.1.1 neither side shall cause undue delay to the delivery of the service;
  - 11.1.2 the server and receiver shall stand within diagonally opposite service courts without touching the boundary lines of these service courts; some part of both feet of the server and receiver must remain in contact with the surface of the court in a stationary position until the service is delivered (Law 11.4).
  - 11.1.3 the server's racket shall initially hit the base of the shuttle while the whole of the shuttle is below the server's waist;
  - 11.1.4 the shaft of the server's racket at the instant of hitting the shuttle shall be pointing in a downward direction to such an extent that the whole of the head of the racket is discernibly below the whole of the server's hand holding the racket;
  - 11.1.5 the movement of the server's racket must continue forwards after the start of the service (Law 11.2) until the service is delivered; and
  - 11.1.6 the flight of the shuttle shall be upwards from the server's racket to pass over the net, so that, if not intercepted, it falls in the receiver's service court.
- 11.2 Once the players have taken their positions, the first forward movement of the server's racket is the start of the service.
- 11.3 The server shall not serve before the receiver is ready, but the receiver shall be considered to have been ready if a return of service is attempted.
- 11.4 The service is delivered when, once started (Law 11.2), the shuttle is hit by the server's racket or the shuttle lands on the floor.
- 11.5 In doubles, the partners may take up any positions which do not unsight the opposing server or receiver.
