4. Players' Eligibility

4.1 All players participating in League competitions must be registered with the League and be members with League clubs. For registration, each club secretary shall send on the form provided together with required fees, a list of club players to the League Registration Officer before the first match of the season. Additional players may be registered on individual registration forms, together with required fees which must be sent to the League Registration Officer before participating in any match or tournament of any kind. No player may be registered after 31 January in the current season except by permission of the Executive. Each year information about new fees will be sent to each club.

4.2 No player may participate in League competitions until the player's BA of E, LCBA and Insurance fees have been received by the League Registration Officer on behalf of the League Treasurer (see rule 7C).

4.3 Any player having been registered for one club and wishing to play in league matches for another club during the same season may apply to the Executive for a transfer to the last mentioned club. A form of application to transfer must be purchased from the Registration Officer for a fee of £1.00 and must be duly completed and deposited with the Registration Officer not less than 7 days before the first match in which the player intends to play for his/her new club. The player shall not play for the new club until he/she receives notification from the Registration Officer that the transfer has been completed.

4.4 No club shall have the right to object to the registration of any player with another club except where the player is not clear on the books of the objecting club in respect of monies outstanding. Any club wishing to object under this rule must lodge such objection with the League Secretary, in writing, without undue delay, giving full particulars. The suspension by the Executive of any registration under this rule shall be operative only until the defaulting player shall have discharged his/her obligations to the objecting club.

5. Higher Team Play Eligibility and Floaters

5.1 Where a club has more than one team, whether in the same or different divisions, a player, having played in a club team on more than one occasion, or in two higher teams on one occasion each, is thereby debarred from playing in any lower ranked team.

5.2 However, the Executive may transfer down such a player from one team to another on application being made for that purpose but only one transfer shall be allowed in a season in respect of such a player. Such transfer shall be free. After such transfer has been made, a player may play for a higher ranked team on one further occasion. Upon playing on a second occasion rule 5.1 becomes operative.

5.3 A club shall have the right to nominate to the Executive not later than three weeks after the first Monday of the season the names of one lady and one gentleman from their lower team or from each of their lower teams, and upon being approved by the Executive, these players shall not during that season be subject to the provision of rule 5.1. Such players shall be known as "floaters" and may only float up.

SERVICE (Law II)

11.1 In a correct service:

11.1.1 neither side shall cause undue delay to the delivery of the service;

11.1.2 the server and receiver shall stand within diagonally opposite service courts without touching the boundary lines of these service courts; some part of both feet of the server and receiver must remain in contact with the surface of the court in a stationary position until the service is delivered (Law 11.4).

11.1.3 the server's racket shall initially hit the base of the shuttle while the whole of the shuttle is below the server's waist;

11.1.4 the shaft of the server's racket at the instant of hitting the shuttle shall be pointing in a downward direction to such an extent that the whole of the head of the racket is discernably below the whole of the server's hand holding the racket;

11.1.5 the movement of the server's racket must continue forwards after the start of the service (Law 11.2) until the service is delivered; and

11.1.6 the flight of the shuttle shall be upwards from the server's racket to pass over the net, so that, if not intercepted, it falls in the receiver's service court.

11.2 Once the players have taken their positions, the first forward movement of the server's racket is the start of the service.

11.3 The server shall not serve before the receiver is ready, but the receiver shall be considered to have been ready if a return of service is attempted.

11.4 The service is delivered when, once started (Law 11.2), the shuttle is hit by the server's racket or the shuttle lands on the floor.

11.5 In doubles, the partners may take up any positions which do not unsight the opposing server or receiver.

SHUTTLE TESTING

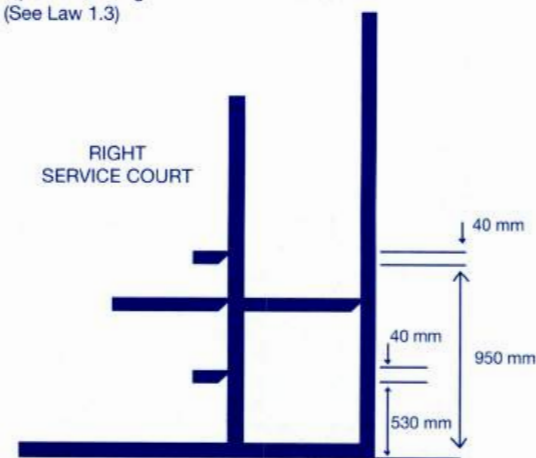

One thing that most League members seem to agree on is the fact that the overall standard of feathered shuttlecocks is dropping.

Whereas there is little your League Executive can do to influence the quality and consistency of the shuttle manufacturers' product, we can at least try to ensure standardisation of speed.

It would appear that opinions of what speed a shuttle should be and more importantly how to test it vary greatly throughout all the divisions.

In order to clarify precisely what constitutes testing a shuttle we have printed below the relevant extracts from the LAWS OF BADMINTON and included a diagram of distances and tolerances to show where a tested shuttlecock should land from a full underhand stroke which makes contact with the shuttle over the back boundary line. The shuttle shall be hit at an upward angle and in a direction parallel to the sideline.

Optional Testing Marks for Doubles Court
(See Law 1.3)

N.B. measurement of marks 40 mm by 40 mm
