LEAGUE A.G.M. APRIL 28th 2004

**A.G.M. AGENDAS AVAILABLE FROM CLUB
SECRETARIES IN MID-MARCH**

CHAIRMAN'S MESSAGE

Once again another season is upon us. To all members, whether young or old and to those of you who might have joined the League for the first time I offer a warm welcome.

Whilst we all look forward with a mixture of anticipation, enthusiasm and perhaps a little apprehension to the coming months, this will also be the end of an era as far as badminton is concerned. I am of course referring to the loss of the Drill Hall in Manchester Road. As most of you will be aware the building is up for sale and Southport College is currently building a four-court sports hall on the college campus. Completion of the new venue is anticipated in October/November of this year. It may be that the Drill Hall might still host a "final" event - the A Tournament - before the League starts using the new facility.

On the subject of old and new, at an extraordinary general meeting of the International Badminton Federation (IBF) in Holland in March, the decision was taken to revert to the traditional scoring system of 3 games to 15 points except for Women's Singles which is to 11 points. The Badminton Association of England must take a great deal of credit for this turn-a-round as it was responsible for gaining sufficient support to call the meeting and then proposing the change back to what many of us regard as the "real" scoring system. However, change is in the air.

On behalf of the League I offer congratulations to Joanne Wright. Joanne played for Churchtown over several seasons before becoming part of the England squad based at Milton Keynes. Not only is Joanne a regular member of our National team but she has recently been selected in the provisional squad for the Olympics in Athens next year.

Another plaudit must also go to Debbie Rigby. Debbie, who plays for Churchtown, recently represented England at the first ever World Seniors (known as Veterans to most of us) Tournament in Sofia, Bulgaria.

Not only do players support this League year after year through their participation in League matches and other competitions but there is a non-player who, with his Company, have steadfastly provided financial support for what will now be a tenth season. I am of course talking about Ferdy Bartlett and Garryowen Ltd. Their contribution is invaluable to this League and I offer my sincere thanks for this support. I also send my best wishes to Mr. Bartlett as he has had several periods in hospital during the past few months.

As has been said on many occasions juniors are the future of this League. How pleasing it is that we are so fortunate to have such a large number of junior players in our League and I hope that this position will continue into the foreseeable future.

In concluding this message I wish everyone a successful season and hope that you continue to get as much enjoyment from the sport of badminton as I do.

With best wishes

Malcolm Banham

9. SERVICE

9.1 In a Correct service:

- 9.1.1 neither side shall cause undue delay to the delivery of the service once server and receiver have taken up their respective positions;
- 9.1.2 the server and receiver shall stand within diagonally opposite service courts without touching the boundary lines of these service courts;
- 9.1.3 some part of both feet of the server and receiver must remain in contact with the surface of the court in a stationary position from the start of the service (Law 9.4) until the service is delivered (Law 9.6);
- 9.1.4 the server's racket shall initially hit the base of the shuttle;
- 9.1.5 the whole shuttle shall be below the server's waist at the instant of being hit by the server's racket;
- 9.1.6 the shaft of the server's racket at the instant of hitting the shuttle shall be pointing in a downward direction to such an extent that the whole of the head of the racket is discernibly below the whole of the server's hand holding the racket as in Diagram D;
- 9.1.7 the movement of the server's racket must continue forwards after the start of the service (Law 9.4) until the service is delivered; and
- 9.1.8 the flight of the shuttle shall be upwards from the server's racket to pass over the net so that, if not intercepted, it lands in the receiver's service court (ie on or within the boundary lines).

9.2 If a service is not correct by virtue of any of Laws 9.1.1 to 9.1.8, it shall be a 'fault' (Law 13) by the offending side.

9.3 It is a 'fault' if the server, in attempting to serve, misses the shuttle.

9.4 Once the players have taken their positions, the first forward movement of the server's racket head is the start of the service.

9.5 The server shall not serve before the receiver is ready but the receiver shall be considered to have been ready if a return of service is attempted.

9.6 Once the service is started (Law 9.4), it is delivered when the shuttle is hit by the server's racket or, in attempting to serve, the server misses the shuttle.

9.7 In doubles, the partners may take up any positions which do not unsight the opposing server or receiver.

SHUTTLE TESTING

One thing that most League members seem to agree on is the fact that the overall standard of feathered shuttlecocks is dropping.

Whereas there is little your League Executive can do to influence the quality and consistency of the shuttle manufacturers' product, we can at least try to ensure standardisation of speed.

It would appear that opinions of what speed a shuttle should be and more importantly how to test it vary greatly throughout all the divisions.

In order to clarify precisely what constitutes testing a shuttle we have printed below the relevant extracts from the LAWS OF BADMINTON and included a diagram of distances and tolerances to show where a tested shuttlecock should land from a full underhand stroke which makes contact with the shuttle over the back boundary line. The shuttle shall be hit at an upward angle and in a direction parallel to the sideline.

3.2 In the event of any occurrence arising under 2.4, the Executive may require both captains to appear before the League Match Committee for the purpose of explanation and may impose on the club found to be at fault such fine or penalty as they may in their absolute discretion deem adequate.

4. Players' Eligibility

4.1 All players participating in League competitions must be registered with the League and be members with League clubs. For registration, each club secretary shall send on the form provided together with required fees, a list of club players to the B.A. of E. before the first match of the season. Additional players may be registered on individual registration forms, together with required fees which must be sent to the B.A. of E. before participating in any match or tournament of any kind. No player may be registered after 31st December in the current season except by permission of the Executive. Each year information about new fees will be sent to each club.

4.2 Each club must provide the League Match Chairman with a list of their registered players, arranged in team order, before the first match of the season.

4.3 No player may participate in League competitions until the player's B.A. of E. and LCBA fees have been remitted to the B.A. of E.

4.4 Any player having been registered for one club and wishing to play in league matches for another club during the same season may apply to the Executive for a transfer to the last mentioned club. A form of application to transfer must be obtained from the League Match Chairman and must be duly completed and deposited with the League Match Chairman not less than 7 days before the first match in which the player intends to play for his/her new club. The player shall not play for the new club until he/she receives notification from the League Match Chairman that the transfer has been completed.

4.5 No club shall have the right to object to the registration of any player with another club except where the player is not clear on the books of the objecting club in respect of monies outstanding. Any club wishing to object under this rule must lodge such objection with the League Secretary, in writing, without undue delay, giving full particulars. The suspension by the Executive of any registration under this rule shall be operative only until the defaulting player shall have discharged his/her obligations to the objecting club.

5. Higher Team Play Eligibility and Floaters

5.1 Where a club has more than one team, whether in the same or different divisions, a player, having played in a club team on more than one occasion, or in two higher teams on one occasion each, is thereby debarred from playing in any lower ranked team.

5.2 However, the Executive may transfer down such a player from one team to another on application being made for that purpose but only one transfer shall be allowed in a season in respect of such a player. Such transfer shall be free. After such transfer has been made, a player may play for a higher ranked team on one further occasion. Upon playing on a second occasion rule 5.1 becomes operative.

5.3 A club shall have the right to nominate to the Executive not later than three weeks after the first Monday of the season the names of one lady and one gentleman from their lower team or from each of their lower teams, and upon being approved by the Executive, these players shall not during that season be subject to the provision of rule 5.1. Such players shall be known as "floaters" and may only float up.

5.4 No club shall be permitted to use floaters on a permanent basis except between their bottom two teams.

5.5 The decision of the Executive regarding any application under rule 5.2 or nomination under rule 5.3 above shall be final.

2. Match

- 2.1 Each match shall consist of four mixed doubles, two men's doubles and two ladies doubles; each event shall consist of two games of 15 aces. No payer, including floaters (see 5), may play more than one like event nor in more than one match in any one night.
- 2.2 Captains must complete their teams on the match score sheet before the start of the match. Pairs must be played in order of strength otherwise, at the discretion of the Executive, events or the match may be forfeited.
- 2.3 Where a Club has two or more teams in the same division, it is expected that in matches between them the higher ranked team will prevail. However, the League Executive recognise that this will not always be the case and when such an eventuality occurs, will judge the circumstances accordingly.
- 2.4 The actual time of starting the match must be marked accurately on the score sheet. In the event of any delay arising in the commencement of any match, or any occurrence resulting in the match not being completed the reasons therefore shall be entered on the back of the score sheet and signed by both captains.
- 2.5 Feather shuttlecocks, of a standard to be determined by the Executive, shall be used in League matches and competitions.
- 2.6 In all events organised by the League, coloured clothing may be worn. In order to ensure attractive presentation of badminton, all clothing should be acceptable badminton sports clothing and, wherever possible, doubles partners are asked to try and wear the same colours. Track suits shall not be worn during match play except by agreement of both captains.
- 2.7 The order of play in all events shall be in accordance with the requirements of the home captain.
- 2.8 To be eligible to play in a particular match a player must be present and ready to play by 8.15pm. This may be extended to 8.30pm by mutual agreement on or before the date the match is played. Prior to 8.15pm (extended to 8.30pm by mutual agreement) a team can substitute a player already entered on the match score sheet and who has not yet played in that match provided the substitute is of equal or lesser standard than the player originally named.
- 2.9 Where a player is not present by 8.15pm (extended to 8.30pm by mutual agreement) and a substitute has not been used, as per rule 2.8, then the opposing team captain shall regard all the games in which the absent player would have played as being forfeited. The captain must inform the opposing captain immediately that he/she regards the games of the absent player as forfeited, and the games involved must be entered on the Match Score Sheet as 15.0 and identified by W/o (Walkover).
- 2.10 Where a team plays an ineligible player, that player must play at 4th mixed and 2nd Men's/Ladies Doubles and the opposing captain notified. If a team plays an ineligible player other than as stated, then that team shall forfeit the match.
- 2.11 In the event of any player being incapacitated after play in a match has begun so that he or she cannot continue playing, a captain shall be entitled to include a substitute of an equal or lesser standard in any subsequent event in which the incapacitated player should have taken part provided that the injury or other incapacity was caused entirely after play in the match had begun and was not solely due to tiredness or the worsening of an existing ailment.
- 2.12 Any comments/complaints entered on the reverse of the Match Score Sheet must be acknowledged by way of signature by a representative from both teams, prior to the submission of the Match Score Sheet to the League Match Officer.
- 2.13 In the event of a match not being played it shall NOT be conceded without permission being sought and obtained from the League Match Officer.
- ## 3. Post-match
- 3.1 The home team shall be responsible for ensuring that the completed score sheet is received by the League Match Officer within 5 days of the match being played. Failure to comply with this rule will result in a penalty not exceeding £20 being imposed by the Executive.
