As a well established family business in Southport, Master Lock and Safe are delighted to be given the opportunity to sponsor the Southport and District Badminton League.

We are constantly being told that our young are in danger of becoming obese through inactivity and excessive eating and that exercise is vital. Badminton, like other individual and team sports promotes health and well being for all ages and a positive mental attitude and team spirit.

We hope that the League continues to flourish and play an important part not only in the current generation but in generations to come.

Wishing you all a successful and enjoyable season

With our very best wishes

Chairman's Message

another enjoyable season.

During the past 6 months the League has lost two stalwarts in Jack Henderson and Ronnie Simm. It feels appropriate that in this message I pay tribute to them for their years of unstinting and unselfish work for badminton, although I cannot do them full justice in just one paragraph. Both, but in different ways, made immense contributions to the League and held various Officer posts over many, many seasons. It is immeasurable just how much they gave in time and effort for the sport they both loved so much. They will be sorely missed but the League they left behind is all the better for their endeavours.

The continued financial support received from Master Lock and Safe Ltd, through Martin and Di Taylor, is significant and provides the League with much needed revenue. Their contribution, together with those businesses that take out adverts in the Handbook, are much appreciated and go a considerable way towards maintaining the financial viability of the League.

A new innovation for the coming season is that results of League as well as Cup/Shield matches can be submitted electronically. It is to be hoped, that as far as possible, this facility will be used in preference to sending in score sheets by post.

Further details regarding the submission of results are contained within this Handbook.

Finally, I hope that all clubs and players have a successful season although not everyone can win but participation is surely the most important aspect.

Best wishes

Malcolm Bankham

(c) Once replaced by a substitute, an injured player shall not take part again in the match.
(d) A team may replace an injured player with an ineligible player subject to the approval of the opposing captain. Such substitution shall be direct as in regulation 4(a) above but all games involving the ineligible player shall be deemed to be lost with the ineligible player failing to score.

 - (i) if the game were completed, stand.
 - (ii) if the games were not completed, be recorded as a win for the opposing team with the injured player's team being credited with the score at the time of injury, subject to regulation 6(b) below.
- (b) An eligible substitute, if present at the match at the time of an injury may be used. Such substitution shall be direct, the substitute being assumed to be of an equivalent standard to the injured player. were assigned (4.3 refers) will be regarded as ineligible. Where a team plays such an ineligible player, then rule 2.10 will apply. A player will not be regarded as ineligible if a subsequent change has been made to the player's assigned team provided it has been notified to and approved by the League Match Chairman.

- 4.6 Any player having being registered for one club and wishing to play in league matches for another club during the same season may apply to the Executive for a transfer of their registration to the last mentioned club. A form of application to transfer, which must also state the team to which the player will be assigned, must be duly completed and deposited with the League Match Chairman not less than 7 days before the first match in which the player intends to play for his/her club. No player may be transferred in the current season except by permission of the League Match Committee. The player shall not play for the new club until he/she has received notification from the League Match Chairman that the transfer of their registration has been completed.
- 4.7 No club shall have the right to object to the registration of any player with another club except where the player is not clear on the books of the objecting club in respect of monies outstanding. Any club wishing to object under this rule must lodge such objection with the League Secretary, in writing, without undue delay, giving full particulars. The suspension by the Executive of any registration under this rule shall be operative only until the defaulting player shall have discharged his/her obligations to the objecting club.

5. Higher Team Play Eligibility

- 5.1 Where a club has more than one team, whether in the same division or different divisions, a player from a lower ranked team can play in a higher ranked team provided that player is of an equal or lower standard than those players in the higher team.
- 5.2 When a player from a lower ranked team plays in a higher ranked team as per rule 5.1, but the player is considered by the Executive not to be of an equal or lower standard than those players in the higher team, then that player will be regarded as ineligible. Where a team plays such an ineligible player then rule 2.10 will apply.

6. Divisional Champions, Promotion and Relegation

- 6.1 Promotion and relegation shall be decided by the Executive at its first meeting.
- 6.2 The team securing most points in each division shall be the champion team of that division and shall be entitled to the custody of the championship trophy of that division until the succeeding annual general meeting.
- 6.3 Points shall be awarded as follows:-
 3 points for a win on events
 2 points for a tie on events but a win on games
 2 points for a tie on events and games but a win on aces 1 point for a tie on events but a loss on games
 1 point for a tie on events and games but a loss on aces 1 point for a tie on events and games and on aces
- 6.4 Where two teams secure the same number of points, the number of events won shall be the deciding factor. Where the teams are still equal, then the greatest difference between games won and games lost shall be the deciding factor. Where there is still a tie, then the difference between aces won and aces lost shall be the deciding factor. Should the teams still remain equal then the deciding factor based on the above criteria will apply to the combined results of the 2 matches played by the 2 teams against each other during the season.
- 6.5 At least one team from the 2nd and lower divisions shall be promoted.

Shuttle Testing

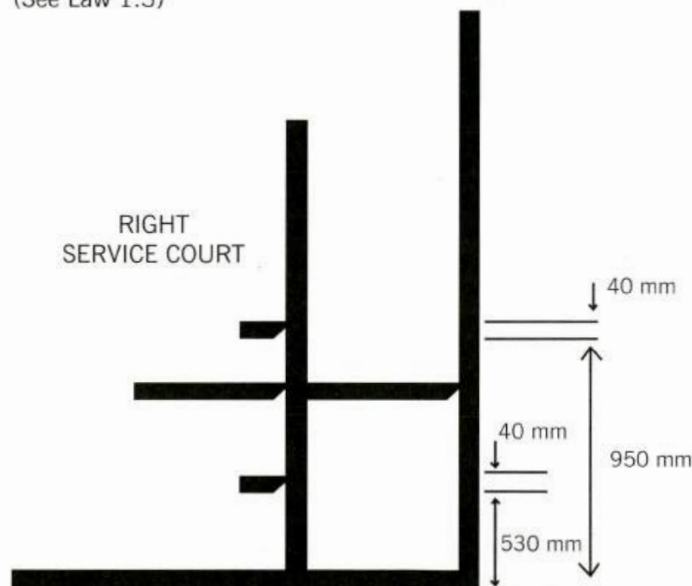

One thing that most league members seem to agree on is the fact that the overall standard of feathered shuttlecocks is dropping.

Whereas there is little your League Executive can do to influence the quality and consistency of the shuttle manufacturers' product, we can at least try to ensure standardisation of speed.

It would appear that opinions of what speed a shuttle should be and more importantly how to test it vary greatly throughout all the divisions.

In order to clarify precisely what constitutes testing a shuttle we have printed below the relevant extracts from the LAWS OF BADMINTON and included a diagram of distances and tolerances to show where a tested shuttlecock should land from a full underhand stroke which makes contact with the shuttle over the back boundary line. The shuttle shall be hit at an upward angle and in a direction parallel to the sideline.

Guidance on Rally Points Scoring

SCORING SYSTEM

- A game consists of 21 points.
- In all **League** and **Cup** matches at 20 all, the side which gains a 2 point lead first, wins that game. (extended game).
- If the score reaches 29 all, then the side scoring the 30th point, wins that game.
- For **Watkinson Trophy events** a game consists of 25 points and there is **no extended game** i.e. a game can be won 25/24.
- For **Shield matches** a game consists of 30 points and there is **no extended game** i.e. a game can be won 30/29.
- In all matches, the side winning a rally adds a point to its score.
- The side winning a game serves first in the next game. This does **not apply** to **Shield matches** as each event consists of one game only.

CHANGE OF ENDS

- When a third game is played in all League and Cup Matches, players change ends when a side has scored 11 points.

SERVING, RECEIVING AND DETERMINATION OF SERVICE COURTS

- There is only one serve in doubles on each occasion a side has the right to serve.
- When a serving side loses the serve the next time the service comes back the player who did not serve on the last occasion becomes the new server.
- Service is from the right hand court at the beginning of the game and when the serving's side score is even, and from the left hand court when the serving's side score is odd.
- If the serving side wins a rally, the serving side scores a point and the same server serves again from the alternate service court. A player will continue to serve until his side loses a rally.
- If the receiving side wins a rally, the receiving side scores a point. The receiving side becomes the new serving side and the player in the appropriate court for the score (even-right; odd-left) of the new serving side will serve.
- The player of the new receiving side who served last stays in the same service court from where he served last. The reverse pattern applies to the receiver's partner.
- Players do not change their respective service courts until they **win a point when their side is serving**.
- If players commit an error in the service court, the error is corrected when the mistake is discovered but the score remains unaltered.
