FAQ

No Strings Attached. Just Good Content.

2025-2026

What's the catch?

No catch at all — truly.

Our seasonal partnerships are a one-time purchase, not a locked-in contract.

We understand that business has seasons, especially for local brands. If you join us for spring, take summer off, then come back stronger for fall... we welcome you with open arms.

Our goal is to support you as you grow, evolve, and adapt, just like we support the community we're proud to serve.

How many photos do I receive?

Your articles and features stay published permanently unless
you request removal.

How long will my features stay on the website?

This depends on your seasonal package:

- **Standard:** 15-18 fully edited images, thoughtfully spaced throughout the 3-month partnership (about one per week).
- **Diamond:** 25-30 images, giving you more content, variety, and storytelling opportunities.
- **Luxe:** 40-50 images, giving you extensive content, variety, and opportunities.

All photos are delivered in a clean, cohesive aesthetic.
