VOL. 26, NUMBER 7

## A MESSAGE FROM THE HELM

Dane McCoy  
Commodore

Ahoy Ebony Boat Club, I pray that you all are healthy and safe. I know that some of you have suffered from COVID-19 and others from other illnesses. I don't know your situation unless you share it with me. I am as confidential as you want me to be. If you have a need that you feel I can help you with, reach out. You are all in my prayers.

The EBC board has been meeting on the fourth Thursday each month, you are welcome to listen in. I sent an invitation to all members by email for the June meeting. You can use the same invite for every month. The EBC General Membership meeting is on the fourth Saturday each month. I sent invitations to the online Zoom meeting to everyone last month. If you haven't saved the conversation from last month contact me via email and I will contact you for next months

A couple of yacht clubs have requested to cruise into our clubhouse later this year. If we can accommodate them while keeping within the COVID-19 standards prescribed by Governor Newsome, San Joaquin County, the City of Stockton and the Downtown Stockton Boat Harbor we will make it happen.

It's 106 degrees on my deck today! Wheeeeww! Pam and I moved our boat, Pamela Ann, to Willow Berm Marina for the summer. Since we've been there we have had many conversations with Peter Moore the yacht salesman there. I'm sure some of you know Peter. He is a great guy. We bought a 2000, Sea Ray, 290 Sundancer from him many years ago. So, Pam and I decided to list our 2005, Carver, Mariner 36 with him. We bought it new so it's a

one owner boat, that's been meticulously maintained by master mechanic Marcel Dawson. If you are interested in or know someone that's interested in purchasing this immaculate yacht with low engine and generator hours contact me for more details.

In the meantime Pam and I will be cruising and fishing the beautiful Mokelumne River. While there, Pam has been catching and releasing on average a dozen striped bass per day

Stay well EBC family.  
Dane McCoy, Commodore Ebony Boat Club

Hello EBC Members, Family and Friends

The Scholarship Committee would like to thank all of the EBC members, families, friends and visitors of the Ebony Boat Club who donated monies towards the scholarships that will be awarded this year.

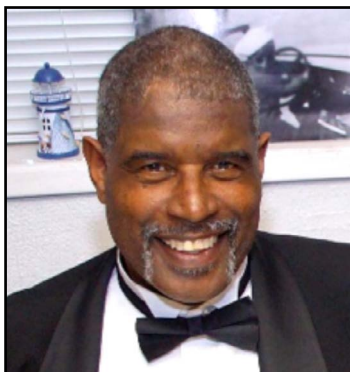

The Scholarship Committee will post the 2020 Scholar recipients in an upcoming Beacon Newsletter. Again, thank you for your contribution to the Ebony Youth Foundation Scholarship fund.

Sincerely,

Janet Noyd  
Scholarship Chair

**THE TREASURER**

Hello fellow Ebony Boat Club Members:

My report at the end of this month will also include your mailing information. Please review your information to insure it is accurate. We will be using this address when we mail out your ballot for our election of the 2021 EBC Board.

Also, I would like to remind you that we have initiated an exciting way of raising funds for the Ebony Youth Foundation. The Ebony Youth Foundation is a 501(C)(3) charitable organization registered with the Internal Revenue Service. This means that you can deduct contributions to the Foundation under Internal Code Section 170.

If you are interested in assisting the foundation, you can make a donation directly to the Ebony Youth Foundation @ 1253 Yuba Avenue, San Pablo Calif. 94806. Or on line @ Network For Goods. Click on Ebony Youth Foundation and follow their instructions. We are listed on the Eligible Organization List at 814228897.

Another way that you can help is to forward this information to your E-Mail friends and your Facebook Page. Download Organizations Eligible to Receive Tax-Deductible Charitable Contributions (ZIP ASCII) <https://www.networkforgood.org/donate/>

The Covid-19 Pandemic has forced scores of yacht clubs all over northern California to postpone or cancel some of their biggest and long anticipated events. Ebony Boat Club is no exception. Both our sacred Annual Jazz Festival and our fabulous White Party are not taking place because of all the havoc the virus is

It is well documented the real reason I joined PICYA was because of being so impressed with seeing and participating in this event as a Captain and a general member of EBC many years ago. So I say to that nasty Covid-19 virus, I'll be back next year hoping to provide another day of fun and excitement cruising around San Francisco Bay with my fellow Veterans who appreciate the event and a day away from our California VA (Veterans Administration) operated Veteran Home locations so much!

dispatching out this year. I see people hugging, shaking hands, standing a foot apart talking and wearing no masks.

With that being said, I would like to make a few comments about the PICYA (Pacific Inter-Club Yacht Association) sponsored Margot Brown Wheelchair Regatta held at Encinal Yacht Club in Alameda every year. The Regatta

It became very clear to me and to my board that sponsoring the event would be very problematic.

going forward was left up to my PICYA board. It became very clear to me and to my board that sponsoring the event would be very problematic. First, you have all the safety protocols to be put in place for 175-200 registrants. Social distancing would be difficult to enforce with our wheelchair bound veterans boarding and departing yacht club member's boats, all the while being assisted by Oakland and Alameda Fire personnel.

In conclusion, the Annual Margot Brown Wheelchair Regatta scheduled for September 26 was cancelled this year, although the PICYA Board and Wheelchair Committee will be reaching out to Captains of previous years and veterans ,including their attendants, with consolation gifts of some significance.

## RBOC: COVID-19: Governor Orders New Statewide Restrictions

Hello EBC Members,

Going stir crazy from sheltering in place? Now is a good time for new and experienced boaters to take an online class on boating skills and seamanship.

The US Coast Guard Auxillary has an excellent course to fit the bill. Below is the overview and course outline.

### Course Overview Boating Skills & Seamanship

The U. S. Coast Guard Auxiliary's Boating Skills and Seamanship (BS&S) course is a comprehensive course designed for both the experienced and the novice boater. The course, now in its 14th edition published in 2013, consists of 8 core required two hour lessons plus five elective lessons, providing up-to-date knowledge for handling boats in all conditions.

### The topics included are:

Which Boat Is For You?  
Equipment For Your Boat  
Trailer your Boat  
Handling Your Boat  
Your "Highway" Signs  
The Rules You Must Follow  
Inland Boating  
The Rest Of Our Story

Hello Californians,

Governor Newsom this afternoon has announced that, effective immediately, some indoor business operations must close statewide, plus additional business operations in those counties that are on the California Department of Public Health's monitoring list for three consecutive days.

### From the Department of Public Health:

Effective July 13, 2020, ALL counties must close indoor operations in these sectors:

Dine-in restaurants  
Wineries and tasting rooms  
Movie theaters  
Family entertainment centers (for example: bowling alleys, miniature golf, batting cages and arcades) Zoos and museums  
Card-rooms  
Additionally, bars, brewpubs, breweries, and pubs must close all operations both indoor and outdoor statewide. Counties that have remained on the County Monitoring List for 3 consecutive days will be required to shut down the following industries unless they can be modified to operate outside or by pick-up.  
Fitness centers  
Worship services  
Protests  
for non-essential sectors  
Personal care services, like nail salons, body waxing and tattoo parlors  
Hair salons and barbershops  
Malls  
For the list of counties that have remained on the County Monitoring List for 3 consecutive days and additional information: [click here](#)

Please feel free to contact me if you have questions or would like additional information.

Good Day My EBC family

As I sit out in the back yard I am marveling at the beauty I can enjoy without leaving my house. The wild birds are busy at the feeder and they are just chirping away. My fish are out and the sun is warm. There is just a hint of a breeze. My neighbor has several trees in their yard and it is amazing how many shades of green I am seeing. Yes I am missing the water and just being at the club house but this is a great second.

Commodore Willis had a terrific zoom PICYA meeting this past Monday. Several clubs shared the activities they were trying to stay active and engaged. Many are trying virtual events including races. Some are trying to have outside cruise in where the clubs cruise in but do not come into or use the clubhouse. Everyone stays on board. The Margo Brown Wheelchair Regatta is cancelled for this year. On the PICYA website home page under Officers Resources there is a dropdown called "Update Your Club's Opening Date." It has the listing of the clubs and their open status for activities. It is supposed to be updated weekly.

Please let us all continue to be safe. I know we are all missing visiting, going out to dinner, and yes some of us really need the "salons" but our nails will wait a little longer. We will have to cook more and

think of interesting things to talk about and share. We are working on "honey do" projects and such but when this is over we will have more time to spend on the water. When it cools down in the evening try making a garlic mashed potato stuffed meatloaf.

### **MASHED POTOTO STUFFED MEATLOAF**

Make your favorite meatloaf mixture and set it aside. When boiling the potatoes add whole garlic cloves about ½ cup. Drain and mash the potatoes and garlic with butter, salt, pepper. You can use more or less garlic depending on your taste. Make enough to have some left to serve as the side. Line your baking dish with foil

Place half of the meat mixture in the dish at least 1 inch thick. Make a little trough in the meat layer but not to the bottom of the layer. Add the mashed potatoes covering the entire bottom layer. Add the remaining meat layer sealing in the potatoes completely. It is important for the potatoes to be completely sealed inside for a pretty presentation.

Fold the foil loosely and bake at 350 until the meat is done. How long depends on how big the meatloaf is. Let it rest for about 15 before serving. Serve with the extra potatoes and veggies. It taste even better the next day. ENJOY!

*WITH LOVE AND PRAYER,  
Ann Dukes, Past Commodore*

## **EBC'S THOUGHTS AND PRAYERS**

**FROM DAILY WORD**

***DON'T WORRY ABOUT EVIL PEOPLE who prosper;*** don't fret about their wicked schemes. In this day of instant communication, you have access to so much information and news that it's easy to feel overwhelmed. Not only do you **hear** about evil people and their wicked schemes, you also **see** the graphic details. This visual imagery has a powerful impact on your brain chemistry. A steady diet of such carnage can make you anxious and fearful.

*I want you to pray about world events and pursue peace as you are able . However, it's crucial to recognize what you can change and what you cannot. Fretting about things that are beyond your control will drain your energy and discourage you. Instead of this hurtful focus, endeavor to **fix your thoughts on Me**. I am with you and for you. **Delight yourself in Me!***

*Remember that I am God of justice and I know everything. Eventually I will right all wrongs. **So be still in My Presence—trusting in Me** with a steadfast heart while **waiting for Me to act.***

*Psalm 37:7 NLT; Hebrews 3:1; Psalm 37:3-4*

**PLEASE KEEP THE FOLLOWING PEOPLE IN YOUR THOUGHTS AND PRAYERS**

**EBC Member Ann Dukes recovering from medical issues**

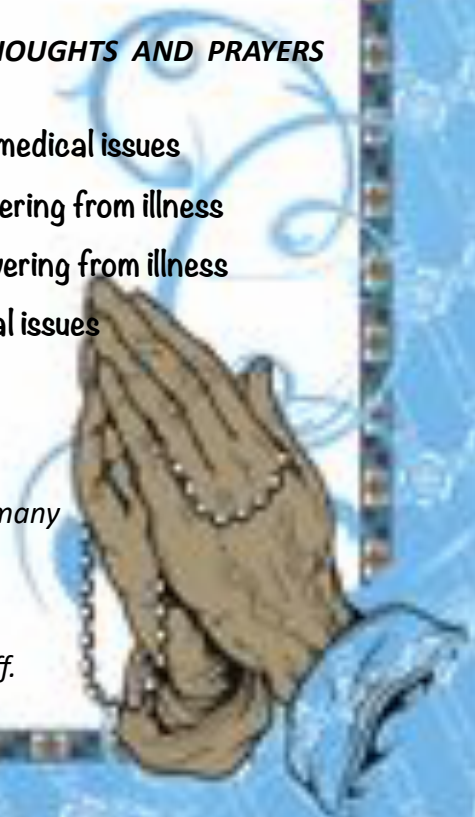

**EBC Member James & Eddie Jo Mack recovering from illness**

**EBC Member Kimberly Romes & Family recovering from illness**

**EBC Member Sheila George medical issues**

*Please pray for the tremendous loss of lives and the many families affected by the Covid-19 crisis.*

*If you know of someone you would like to add to the prayer list please contact the Newsletter Editorial Staff.*

# Sanitizer Alert

"Initial adverse health effects due to methanol poisoning include drowsiness, a reduced level of consciousness (central nervous system depression), confusion, headache, dizziness and the inability to coordinate muscle movement (ataxia). Other adverse health effects may include nausea, vomiting (emesis), and heart and respiratory (cardiopulmonary) failure," according to the CDC.

In response to COVID-19, the FDA reminds people to [wash their hands using soap and water](#) for at least 20 seconds (especially after going to the bathroom, before eating and after coughing, sneezing or blowing one's nose) to prevent the [spread of the coronavirus](#). If soap and water is not available, the CDC suggests using a hand sanitizer that contains at least 60 percent ethanol to kill most disease-causing germs. Anything less than that may not work as well "for many types of germs," and could "merely reduce the growth of germs rather than kill them outright," the CDC says.

Hand sanitizer works best when used correctly. Be sure to apply enough hand sanitizer to cover the entire surface of both hands. Rub the hand sanitizer into your hands (paying special attention to the fingertips) until your skin is completely dry; it should take about 20 seconds.
