VOL. 26, NUMBER 3

The COVID-19 Pandemic Is Not Going Away Anytime Soon

This past Monday, March 16, 2020 Governor Gavin Newsome stated that he wants all bars, brewpubs and nightclubs closed and restaurants to limit their customers to no more than 50 patrons at a time. He further suggested that persons over the age of 65 self quarantine.

Later that day six Bay Area counties including Alameda, Contra Costa, San Francisco, San Mateo, Santa Clara and Solano are now ordering EVERYONE to self quarantine and not leave home for non-essential reasons. This excludes public safety officers and medical personnel.

In light of this, I think it would be prudent that we close the clubhouse effective immediately through Thursday, April 16, 2020. Of course this means we will have to cancel our Spring Youth Day which is scheduled for Saturday, April 18, 2020. We can re-evaluate club closure or the re-opening date as we get more information from our state and local governments.

Sincerely,
Dane McCoy, Commodore Ebony Boat Club

February was a fun time for the club. As reported in last month's Beacon, we had the Super Bowl and Chili Cook Off on February 2, 2020. It was organized by Otis Brock and Jim Mack. Thanks to Otis and Jim everybody had a great time!

February 22 EBC members led by Reggie Kelley and Carol Whitehead went to the Sportsmen Y C to participate in their annual crab feed. We had a good time enjoying the company of some old and new friends and the crab was outstanding!

On February 29 we had our monthly club meeting which was very productive. After the meeting we had our annual Black History Month Program, organized by Shelia George. Everyone enjoyed sharing knowledge of Black History and learning from each other. The children in attendance were eager to learn and had fun answering questions related to Black history.

On March 7, Otis and Marilyn Brock celebrated their birthdays with EBC friends and family at the clubhouse. I'm sure everyone had a blast at that wonderful celebration!

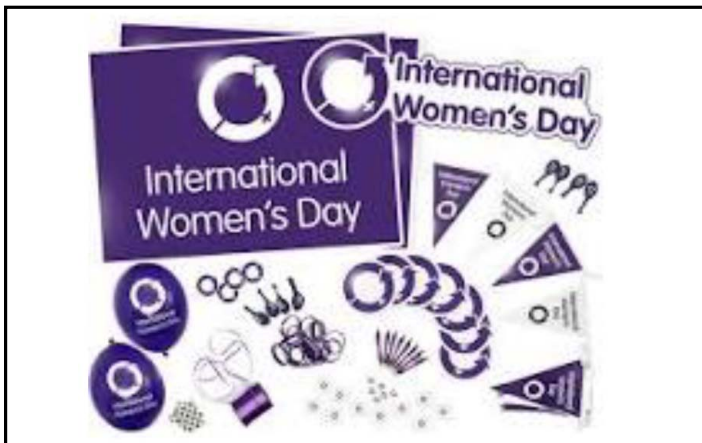

Due to the COVID-19 Pandemic, our Mardi Gras Cruise In with the Diablo Yacht Club and the Delta Outlanders Yacht Club on March 20 – 22 was cancelled. Diablo Yacht Club has reschedule their cruise in for May 15-17 for a Western Night theme and the Delta Outlanders Yacht Club is planning to cruise in for our Annual White Party in August. I would like to thank our Port and Fleet Captain Reggie Kelley for handling and rescheduling these cruise ins.

The PICYA Leadership Conference at the Martinez Yacht Club was also cancelled due to the COVID-19 Pandemic. It will be held instead on October 3rd in conjunction with the Management Conference at the Loch Lomond Yacht Club. EBC Members are encouraged to attend these training Conferences for helpful information on boating. Contact PICYA Commodore Robert Willis, Delegate LC Fuller or

Delegate Ann Dukes for the time and any other information.

I would like for every Ebony Boat Club Member to start inviting friends, family and acquaintances to our General Meetings and events. Let's work together to gain many new memberships this year.

That's my overview of what's been happening around the club.

March is International Women's Month. I would like to share some news about some outstanding Commercial Ship Captains who are women.

There was a time when women were considered as bad luck on ships, a distraction to the crew and an anger to the seas. Until the 1970's many maritime academies did not admit women and there were no cruise ship captains until the first woman appointed captain of a cruise ship, Captain Karin Stahre-Janson of Sweden, who in 2007 took command of Royal Caribbean's Monarch of the Seas.

In 2015 Captain Kate McCue is the first American woman to captain a cruise ship. Kate was born in San Francisco, California and attended California State University Maritime Academy, Vallejo, California.

Captain Belinda Bennett is the world's first Black woman to become a cruise ship captain. Capt. Bennett grew up on the small of Island St. Helena located in the South Atlantic Ocean between South Africa and South America. The Island was small, and Belinda wanted to see the world. At age 17 she took a job on the RMS St. Helena. But it wasn't easy for her as a female cadet. She was made to work harder and later than the other cadets. She prevailed and took a job on a private yacht off the coast of Monaco. After that she worked on Steam Packet ferries, and eventually she went back to school

for her master's degree. Upon obtaining her master's she tried to go back to the private yachts, which did not pan out for her and was told by an agent in Antibes that she had three things going against her:

- 1) She had a higher education than most captains at the time
- 2) She was a woman
- 3) She was black

She took a hard look at her options and joined Windstar Cruises in 2005. She climbed the ranks from second officer to chief officer and then in January 2016 she made the rank of Captain of the MSY Windstar.

All three of these women have at least one thing in common, they were the first! The first Woman Captain, the first American Woman Captain and the first Black Woman Captain. It's not easy being the first.

Thanks to all of the leaders that paid the price so that others may follow in their footsteps.

To all of the hard working, women of the world, Happy International Women's Month.

Happy Spring Everyone!

I will see you at the club or on the Water!

A Message From : THE STAFF COMMODORE

Hello EBC Family,

I hope everyone is doing what it takes to stay safe from the coronavirus. Thank you Ann Dukes for posting how to stay safe and what to do during these difficult times as this infectious COVID-19 runs its course.

Marilyn and Otis's birthday celebration was an event to remember! Everyone had a ball and the clubhouse was decorated "To The Nine."

Otis & Marilyn dancing the night away

Our Mardi Gras weekend has been cancelled due to the coronavirus outbreak and a new cruise in date is being worked on by our Port and Fleet Captain Reggie Kelley. Additional information will be provided as the details are worked out.

Our thoughts and prayers are with George Spencer and Family during their time of bereavement on the loss of his mother, Mrs. Cleo Patricia Spence.

We pray for our Commodore, Dane McCoy and First Lady, Pamela McCoy as they travel to Mexico knowing the Good Lord will Bless them and keep them safe during their travels.

EBC's Happenings in February and March

The IOBG (International Order of the Blue Gavel) is an international organization made up of past commodores of qualified yacht clubs. They are proven leaders and innovative problem solvers. Membership is by invitation only.

Their mission is to recognize Past Commodores of the international yachting community and unite them in order to promote the highest ideals of yachting and preserve its customs and traditions through social, educational and humanitarian programs.

On Sunday March 2, 2020, at the Pittsburg Yacht Club, Kerry Davis and Frank Whitehead (past EBC Commodores) were inducted into the organization. A prestigious honor indeed!

left to right: Otis Brock, Carol Whitehead, Ann Dukes, Kerry Davis, Marilyn Brock and Dane McCoy. Frank Whitehead was unable to attend.

EBC's BLACK HISTORY MONTH PROGRAM

Hello EBC Family and Friends,

This year's EBC Black History Month Program was well attended by both kids and adults. Special thank you to the EBC Members who attended and invited their family and friends that took part in this very informative event.

The chairperson for the event (Sheila George) put together a program that included the EBC Commodore (Dane McCoy) welcoming everyone and presenting the history of the Black National Anthem, "Lift Every Voice and Sing."

Ann Dukes followed with a prayer from the memoirs of Martin Luther King, Jr. and Sheila George led the group in the singing of the Black Nation Anthem.

Carol Whitehead gave a presentation on "Why We Celebrate Black History Month", then proceeded with Marilyn Brock's Q/A session on "The Female Buffalo Solider."

WHAT WE EAT AND WHY

Next on the program was "Our Food History" presented by Kimberly Romes who gave a very informational backstory of the foods we eat and where it originated from. The audience participation was great. Kids that had attended were able to win gifts if

they answered the given questions correctly.

"DREAM"

Rayonn Maxie, loving granddaughter of Sheila George, read a poem titled "Dream" and did a fantastic job in reciting it.

HISTORY OF EBC

Anne Dukes presented the group with "The History of Ebony Boat Club." She addressed the boat clubs formation and how it became established. In addition she briefly discussed the history of the 13 founding members of the club.

EBC's BLACK HISTORY MONTH PROGRAM

INSPIRATIONAL VOCALS

Sigrid Williams, the sister of EBC Rear Commodore Sheila George, performed a musical selection that had the attendees in awe of her beautiful and in-spirational voice, it was almost like being in church.

Past Commodore Richard Clark closed the program by thanking everyone for attending while acknowledging that he too had learned something new from the program.

The food was Blessed and all in attendance enjoyed the meal prepared by Kimberly Romes. The meal consisted of collard green-kale & turnips, yams, black eye peas (prepared 2 different ways), cornbread, rice, butter milk (which was home made) fried chicken, a variety of desserts . Let's not forget the peach cobbler.

Even though the day started off poorly with no water and little to no propane, as always, EBC members knew how to make the best of things and turn things around!

POETRY RECITAL WITH SASS

Our second young presenter was Paris Hampton, granddaughter of the Whitehead's that added her own flair to the reading of the poem "I Am." She had the crowd applauding at the end with her personnel touch of sass.

Thanks to everyone involved it was a pleasant and enjoyable day!

ENTERTAINING PERFORMANCE

Past Commodore Robert Willis entertained us with the historical accomplishment of another well known person. However, we were not expecting him to perform it with his one man, two person conversation.

His performance caught the attention of everyone in attendance as he stepped from side to side switching from a man's voice to

a female voice (Rosa Parks) telling the story of her protest for equal rights

A Message From The PICYA Commodore

Robert Willis
PICYA- Commodore
EBC Past Commodore

Hello EBC,

Things are moving fast for me as Commodore of PICYA, (Pacific Inter-Club Yacht Association) 2020.

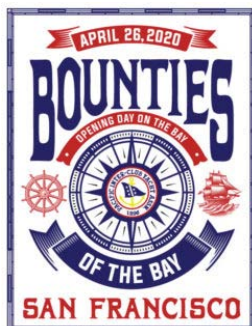

I presided at my first official PICYA delegates Meeting and Dinner on Feb. 3, 2020 at Coyote Point Yacht Club in San Mateo, California.

One of my first tasks was to name my committee chairs and announce the 2020 special events that PICYA will sponsor this year. All went well including a great turn out by PICYA delegates and their guests. A special acknowledgement was given by Staff Commodore Winston Bumpus to the RBOC (Recreational Boaters of California) for their work protecting our boating interests and being our voice against threats to boating on the state, regional and national levels.

Again, if you are available, put the PICYA sponsored Leadership Conference being held on Saturday, March 21 at the Martinez Yacht Club on your calendar. Don't forget to add the Opening Day on the Bay Boat Parade scheduled for Sunday, April 26. **(Important update regarding cancellation of Opening Day on the Bay. pg. 9)** Also stay tuned for additional PICYA sponsored events throughout the year.

See you at the club!

Robert Willis Commodore, PICYA

Leadership Conference Postponed until October 3rd, 2020

Important Message from Rear Commodore Jim Sweeney:

"In consideration of the coronavirus pandemic the PICYA Leadership Conference scheduled for March 21st at Martinez Yacht Club will not take place. This decision is regrettable but we are dealing with a force majeure.

Assuming that the coronavirus threat is diminished over the coming months, the PICYA Board of Directors intends to postpone the Leadership Conference until it can be combined with the Management Conference, scheduled for October 3rd at Loch Lomond Yacht Club."

Jim Sweeney, PICYA Rear Commodore

Opening Day on the Bay Update!

It is with sadness that PICYA announces the 2020 Opening Day on the Bay Parade and Commodore Cruises Committee Boat are postponed until further notice.*

These are challenging times. We must all do our part to flatten the virus curve - so that we can all recover quickly and return to what will be a new normal.

All organized events on the Bay are at a full halt. Virtual meetings are on the rise. Be ready for change. We will call upon you!

Ebony Boat Club's **THOUGHTS AND PRAYERS**

O God, we thank you for the lives of great saints and prophets in the past, who have revealed to us that we can stand up amid the problems and difficulties and trials of life and not give in. We thank you for our foreparents, who've given us something in the midst of the darkness of exploitation and oppression to keep going. Grant that we will go on with the proper faith and the proper determination of will, so that we will be able to make a creative contribution to this world.

In the name and spirit of Jesus we pray,
