

Transportation/Car Repair			
Organization	Contact	Website	Notes/Overview
<b>Faith in Action Georgetown</b>	512-868-9544	<a href="https://www.faithinactiongt.org/">https://www.faithinactiongt.org/</a>	Provides free medical transportation for age 65+.
<b>Yellow Bike (Austin)</b>	1216 Webberville Rd, Austin 512-524-5299	<a href="https://austinyellowbike.org/our-mission/">https://austinyellowbike.org/our-mission/</a>	Free bikes To vulnerable individuals in difficult life transitions. We identify needs via referrals from non-profits and other community partners, including but not limited to human services, schools and colleges, religious institutions, and mentoring programs. Please contact one of our social services partners for a referral or contact us at info@austinyellowbike.org
<b>Georgetown Free Bikes</b>	2055 FM 1460, Georgetown 512-931-1756	<a href="https://www.georgetownfreebikes.org/">https://www.georgetownfreebikes.org/</a>	We take used bikes, spruce them up, and give them a new home. Best part is we make bike ownership accessible for all by providing them for free.
<b>rideGTX</b>		<a href="https://georgetowntexas.gov/transportation/transit/ridegtx.php">https://georgetowntexas.gov/transportation/transit/ridegtx.php</a>	Uber riders get 10 discounted rides per month. Riders pay the first \$4, and the City subsidizes up to \$10 per ride. Riders pay any remaining balance over \$14. Ztrip riders (wheelchair accessible vehicles) get unlimited rides and also pay the first \$4 per trip.
<b>GoGeo</b>	512-478-RIDE (7433)	<a href="https://www.georgetowntexas.gov/transportation/transit/index.php#collapse1690b0">https://www.georgetowntexas.gov/transportation/transit/index.php#collapse1690b0</a>	For those with disabilities or over 65. An application needs to be completed to participate. Reservations need to be made by 4:00 pm the previous day and can be made by phone or online.
<b>CARTS</b>	512-478- RIDE (7433)	<a href="https://www.ridecarts.com/contact/carts-online-services/">https://www.ridecarts.com/contact/carts-online-services/</a>	Buses operate from seven transit stations located throughout the CARTS service area in Central Texas. Fixed-route service is operated between the seven stations, and this service is available to anyone in the service area. CARTS also provides curb-to-curb service, also known as demand-response or on-call service, for mobility impaired individuals and individuals in need of special assistance in the CARTS service area. CARTS operates 60 mini-buses and vans to provide fixed-route and on-call services across Central Texas. You can view the schedule at RideCARTS.com
<b>The Hub Garage</b>		<a href="https://www.thehubgarage.org/contact">https://www.thehubgarage.org/contact</a>	Pay for car repairs with participant garages to low-income single Moms. Application required for both Mom and Garage. As funds are available.
