Pastoral Ponderings

"I have fought the good fight, I have finished the race, I have kept the faith."

2 Timothy 4:7

This verse and the surrounding verses around it are often read at funerals and end of life moments - when families and friends gather around to remember and reminisce a loved one's life. As we gather around the death of loved ones, these verses recall lives that were well-lived, accomplishments and accolades that highlighted hard and diligent work, and a faithful life that added to our existence in the here and now. I truly love these verses for funerals, and I hope my life here on earth can live up to these verses at my end as well.

If you have ever run in a race, the steps that were taken to get to the finish line are quickly forgotten. The hilly path that you took to get to the end isn't remembered fondly, and the quality and quantity of what you just endured isn't what is celebrated. At the end of the race, what those around you want to know, is how you finished: what place you came in, did you run the whole thing, or did you take a few rest breaks along the way, and in what condition you were in when you crossed the finish line. In other words, the end of the race is the most important part, and how you finished is the only thing that matters.

As we are approaching the end of 2024, I hope you keep this theme in mind. While we will start a new race on January 1st, how we finish 2024 is the only thing that matters. Did we finish this year on a strong note? Were we faithful in our giving, were we faithful in our worship attendance, were we faithful in our dealings with each other, and have we given our whole hearts, souls and minds to Christ in the process? In other words, at the end of this year, will we look back at our actions and accomplishments and say we finished strong this year? Through our outreach and service we made Mt. Tabor Lutheran Church a strong pillar in our community and we can take this momentum and move into 2025 continuing our mission and ministry which God is calling us to do?

As we look forward to next year, we make new commitments to run the race set before us. Yet, we are called to finish this lap as strong as possible, by placing ourselves in the position to start the year off on the right foot. To finish the race well, we ask you to give generously to the church's ministry, and help fund the Church's ongoing task of raising up the Christian community in West Columbia. We ask that you give of yourselves and your time to participate in worship and fellowship activities, and help fill positions with faithful hands and hearts that serve God, as we serve each other. We ask that you give your talents to the Glory of God and to enjoyment of those that gather in this place that we all might see and feel God's presence in this place.

Finish this lap well Mt. Tabor. Finish the race as strongly as you possibly can. Push yourselves to be faithful in all things. So that you might bear Christ's light to the world and receive the crown of righteousness that Christ alone can give. Amen.

THE MUSIC CORNER

Christmas Concerts!

Please mark your calendars! We will have 2 Christmas Concerts again this year. Christmas on the Mount 2024 will be December 8 at 6:30. This has been organized by our own Kevin Oliver. He has produced this concert for 19 years and this year it will benefit Central Carolina Habitat for Humanity. This concert will feature a wide variety of talent from our region.

Our Christmas Concert will be held on December 15th, at 4:00 PM with a reception to follow! Participants will include Cherub Choir, Angel Choir, Seraph Singers, Youth Choir, Mt. Tabor Ringers, Adult Choir and the Alive! Musicians. Jeff Clearman (organ) and Francisco Balletas (trumpet) will also share their talents with us.

Singers are encouraged to volunteer for the Adult Choir and Alive! It's not too late to join us for Christmas! Please contact Kevin Davis if you would like to join—even for the holiday season!

Christmas Prelude for 7:00 and 11:00 services

We would like to have our talented children participate in the prelude for the 7:00 pm service. Please consider sharing your child's talent with the congregation. Contact Kevin Davis at (803) 796-5948, Ext. 21 or music@mttaborlutheran.org and include the name of the piece, composer, performer's name as you want it to appear in the bulletin, and also the length (minutes) of the piece. If the piece is short (2-3 minutes) you can do a second selection as well!

In addition to the Adult Choir and Mt. Tabor Ringers, we would encourage small ensembles and soloists to participate in the prelude for the 11:00 service. If you are interested, please contact Kevin Davis and include the name of the piece, composer, performer's name as you want it to appear in the bulletin, and also the length (minutes) of the piece.

MTLC Needs You!

November is Stewardship month, a time to assess your gifts of time, talent, and treasure to Mt. Tabor. We particularly need your gift of time to fill the many rosters of worship assistants to make our Sunday services work. Sign up sheets for April 2025 – March 2026 are on the bulletin board near the water fountain and on tables at the back of the sanctuary.

The biggest need is for assistants at the 11:00 service. Families are encouraged to take a month with youth serving as acolyte or crucifer and parents as ushers, lector, greeter, or communion assistant.

Training is provided for all positions so don't be shy about writing your name down.

All ability levels are welcome! Variations to exercises are offered!
Ask Tammy O’Quinn, Brennen Hutto or Carol Busbee for details!

Positively Fit: Body’, Mind and Soul

Body:

Planning your Thanksgiving dinner? Are you planning your exercise to equal that number of calories? Sure, it is only one day of the year. A few extra calories won’t hurt, or will it? Taking into consideration your age, height, and activity level, adult women need 1,600–2,400 calories per day, and adult men need 2,200–3,000 calories per day. The upper limits are for people that use a lot of muscle power in their job or activities. The lower limits are for people that are less active having desk jobs and/or low activity levels. A typical Thanksgiving dinner can greatly exceed those amounts racking up 3000 to 4500 calories in one day. The easy thing to do is to eat in moderation and enjoy all the special dishes and desserts. *Moderation!* If you find that you ate a little more than expected, don’t worry. Take a walk to help with digestion and curb your appetite for later in the day. Or, add some extra exercises over the next few days. Here are a few exercises that can burn off the Thanksgiving Day calorie count!. The hours beside each exercise are how long you need to do that exercise to burn the extra calories. The following infographic shows how much exercise a 160-pound adult would have to do to burn 3,000 calories. (From Allina Health)

It seems ridiculous to exercise for this number of hours! Remember, moderation and extra of your favorite exercises for a few days!

Running up stairs 2.6 hours	Swimming laps (moderate) 7 hours	Pilates 8.5 hours
Jumping rope 3.5 hours	Hiking 7 hours	Walking (2 MPH) 15 hours
Running (5 mph) 5.5 hours	Dancing (moderate) 7 hours	Yoga 16.4 hours
Cycling (12-14 mph) 5.3 hours	Weight lifting 8.2 hours	Cross country skiing 6 hours

Mind:

Turkey contains nutrients such as Selenium, Tyrosine, Zinc and Choline. These nutrients can support brain health, reduce stress, protect nerve cells, and promote mental focus. A good reason to include this healthy protein in your dinner!

Soul: 1 Corinthians 6:19-20

¹⁹Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own; ²⁰you were bought at a price. Therefore, honor God with your body.

Dear Mt. Tabor,

On behalf of the vulnerable homeowners served each year through repair efforts, thank you for your generous support of the Home Works mission!

Thank you for your donation that helps critical repairs remain free of charge for vulnerable neighbors across South Carolina. Homes are not only physically repaired, but volunteers also learn valuable skills, relationships are built between people of all ages and backgrounds, and God’s love is shared. It is a powerful example of love put into action.

This year, our teams have repaired over 139 homes across our service footprint, and we thank you sincerely for being a part of this lasting impact through your gift as we continue to scale critical efforts for those in need.

Building for Him,

Nadelyn Smith

Thank you!

Thank you to everyone who helped make the Halloween in the parking lot event a huge success this year! We had over 30 trunks, with people still volunteering the day of to do one, tons of cupcakes donated for dessert after feeding over 350 people, and a successful cakewalk with over 20 cakes. We could not do this event without our amazing youth, congregation, and volunteers! A special thank you to Pastor Wade for being a good sport with Pie the Pastor. We look forward to an even better event next year with more pies to throw at Pastor Wade!

Dear Church Family,

I could never express how much your prayer, visits, calls, texts, and outpouring of love meant while I was in the hospital and since I have been home. It is wonderful and healing to be a part of a family like we have here at Mt. Tabor.

God's blessings and love to all,
Rachel Bundrick
