Weekly Program Notes:

1. Children are provided an afternoon snack. If your child has any allergies, please let us know so that we can be sure to monitor snacks for them.
2. If your child has any medications that may need to be given during Sing & Celebrate, please make sure the church office/volunteer team is aware prior to drop off.
3. Please be sure that backpacks, water bottles, lunch boxes, etc. are labelled. The children will leave their bags in the Assembly Room upon arrival, and we want to make sure that the items they come in with also go home with them. :)
4. Please be sure to let our team know at drop off if you are having someone other than yourself picking up your child.
5. Please be sure we have a current registration form on file for you listing all emergency contacts. If at any time this form needs to be updated, please contact the church office.

Choirs: Choirs are divided by age and/or grade: Cherubs (2-4 year olds), Angels (5K-1st grade), Seraphs (2nd-5th grade). Choirs will perform at different services throughout the year. You will be notified by your child's class what dates they will perform and where to meet the morning of. If you cannot make a performance, please be sure to notify the choir director or church office.

Photography/Videography: If you do not want your child's image published on Mt. Tabor's website or social media, please make this request known to the church office.

Telling Mt. Tabor's Story:

On Sunday, August 20, Council, Stewardship Committee, and a few others began training with consultant Mitzie Schafer to learn how to tell the story of our church. It is the task of this team to interview members of our congregation to hear and highlight their "Mt. Tabor Story" for the weeks, months, and years to come.

Council President, Whitney Glass, commented, "Storytelling is above and beyond the intentional listening we will be doing with the whole congregation on September 24 at the congregational meeting."

If you are asked to tell your story or want to tell your story, please keep in mind that the team that was trained is comprised of about 20 people. Be patient with them if your story is not told right away. There is a limited amount of them, and unlimited amounts of wonderful stories to share.
