

## **ENVIRONMENTAL POLICY**

Man Kit Construction Co., Ltd. is fully committed to protecting the environment of the earth and implementation of the Environmental Management System based on the requirements of **ISO 14001:2015**.

To minimize environmental impacts concerning the company's activities and services, we will:

- a. Comply with applicable legal requirements and other requirements to which the company subscribes which relate to its environmental aspects;
- b. Prevent pollution, reduce waste and minimise the consumption of resources;
- c. Educate, train and motivate employees to carry out tasks in an environmentally responsible manner; and
- d. Encourage environmental protection among suppliers and sub-contractors.

We would lay down objectives and targets and make regular review and amendments for effective implementation of the Environmental Management System. We also commit to continual improvement of environmental performance.
