PROGRAM FOR AGES 18-21

ENGINEERING TRAINING COURSE

- ◆ Duration: 18 hours (spread over 3 visits in a month)
- ◆ Group Size: 5 students
- ◆ Program Highlights:
 - ✓ Gain real-world industry exposure
 - ✓ Work on practical engineering applications
 - ✓ Guided learning with expert engineers

DEEP DIVE INTO ENGINEERING TECHNIQUES AND REAL-WORLD CHALLENGES!

 SHARPEDGE

www.sharpedgetools.com

PROGRAM FOR AGES 21-25

ADVANCE ENGINEERING TRAINING

- ◆ Duration: 30 hours (1-week continuous training)
- ◆ Group Size: 5 students
- ◆ Program Highlights:
 - ✓ Hands-on practical training with real industry tools
 - ✓ Work on engineering projects and problem-solving tasks
 - ✓ Learn directly from industry experts

BRIDGING THE GAP BETWEEN THEORY AND REAL-WORLD APPLICATION!

 SHARPEDGE
