Mr. Trent DiGiulio - National Producer Achieves Multiple Film Awards July 2021

(Dallas, Texas) – Trent Di Giulio, of Lead Star Studios, and Director of National & International Media Development for Alchemy Creative Inc., won a prestigious Winner Award's, 2 Global Film Competition 1 International and 1 LA Honorable Mention in recognition of Excellence in filmmaking.

The awards were given for Di Giulio's Director / Producer roles in the exciting Documentary Short, Alamogordo, Center of the World, Trinity 1945, which outlines the history of Trinity Site and the testing of the world's first Atomic Bomb in Alamogordo, NM. The film features exceptional new information and video footage found in historic archives.

These Multiple wins recognize film, television, videography and new media professionals who demonstrate exceptional achievement in craft and creativity, and those who produce standout entertainment or contribute to profound social change.

Entries are judged by highly qualified professionals in the film and television industry. 25 Time Award winning show projects producer/director, 3-time International Award Winner, and Documentary producer Mr. Di Giulio has extensive national production experience in the Film and Television business.

Trent Di Giulio also led CAT-Studios as its founder to the forefront of high-end 3D animation, 2D animation, and special effects along with Stereo 3D work, making the studio a premier animation studio in the Central US. With Di Giulio's vision boutique, the company started as the first high-end house in the United States.

Alchemy Creative President, Richard James quoted "We are extremely fortunate to have Trent on the Alchemy ingenuity team, his work is stellar, and his vision is clearly an asset in the development and rebranding of Adventures of Elements."
