Division I Age Groups

MANDATORY EVENTS: Beauty, Fun Fashion, and Personality Plus (time with judges) or Interview (6+ yrs.)

All events are weighted equally and Queen of the Seas, Princess of the Seas, Division Supreme, and age group winners will be based on these 3 scores only. Optionals are scored and awarded separately to give more opportunities for Optional Supreme titles!

The Division I Supreme wins a bucket crown, rhinestone satin sash, robe, scepter, and 5' trophy but you must register for the Supreme Package and your scores will only be competing against those who are also registered for the Supreme Package in Division I. Supreme winners will be pulled from their age group but CAN be double or triple crowned in the Optional Events and will also be crowned with their local title and crown. If you are not selected as the Division Supreme winner, you are still eligible for the state title.

One winner from each age group will receive a vintage Miss Universe crown, satin embroidered rhinestone sash, royal scepter, and will be named Carolina's Coastal Miss. All other contestants will be crowned with a full round crown and full wrap sash with local title (your city or county). The state winner is automatically double-crowned. The photographer will capture the crowning moment for ALL contestants! \$325 includes local title sash, round crown, and large bag of age-appropriate gifts. If you would like to be considered for the Division Supreme, the cost is an additional \$50. This also qualifies you to win a supreme title in each optional event entered. Prizes for Optional Supreme are a 3' trophy, large crown, and Overall Supreme sash. Overall Optional Supreme scores are separate and apart from the 3 mandatory event scores.

OPTIONAL EVENTS: Photogenic, Print Model, Portfolio, Fitness Wear, Theme Wear/Costume, and Talent

Photogenic is a head shot, Print Model is a high-fashion photo, Portfolio is 5 or more photos of any kind. Please use covers or sleeves for all individual photos and the Portfolio should be in a bound notebook. No larger than 8 x 10 for all photos please. Turn photos in at registration.

Theme Wear/Costume is anything ocean-related. Have fun and be creative! Props are allowed.

Fitness Wear is any athletic wear and can be one or two pieces worn with tennis shoes.

Talent can be anything. This is a large auditorium with a huge wooden stage. A Grand Piano is available upon request. Talent should be 90 seconds to three minutes.

There will be an optional winner declared in each age group that will receive a crown, trophy, and custom CCM medal. In addition, the overall highest score of each optional event in Div. I will receive a large crown, sash, and 3' trophy if that contestant is entered in Division Supreme.

That means you could be crowned 2, 3, 4 times or more! Optionals are \$50 each and are scored separately from the mandatory events and Division Supreme.

FREE side awards given in each age group include prettiest eyes, best hair, best dressed. The winner will receive a custom CCM medallion. These are judged during collective line-up in beauty.

Division II Age Groups

All information from Division I applies to Division II with the exception that Personality Plus is replaced with a 5-minute private interview with the judges. A platform is not required but if one is mentioned on the emcee sheet, then the judges may ask about it. Although appearances are not required, they are encouraged and rewarded. Interview is by panel and an up-close facial assessment. It is an opportunity to show personality, poise, and pleasant conversation. Judges may ask questions that are not on the emcee sheet; however, politics, religion, and controversial matters will not be asked unless it appears on the bio.

Harper Truslow
2026 Queen of the Seas

The contestant with the highest overall score will be named **Queen of the Seas** and will win a 4-day 3-night cruise to the Bahamas! (*see note*). In addition, the winner will receive a **bucket crown**, ROBE, satin embroidered rhinestone sash, royal scepter, and 5' trophy.

The second highest overall score will be named **Princess of the Seas** and will receive all of the same prizes as Queen of the Seas!

Scoring will be based on the 3 required events and competition is only among those contestants entered in Queen of the Seas. Contestants pull for the highest title for which they qualify. That means entering can only help your chances for a higher title and will not impact chances for Division Supreme or Age Group. The judges are not informed of which contestants entered QOS. No additional time on stage is necessary since it is based on the 3 primary scores. Entering QOS will not harm any chances of winning other awards, such as the state title.

Note: Does not include port fees and taxes
