

GRANT

Rework Checklist

- ☐ Request and review feedback from the original funder (if available).
- ☐ Identify what sections were strong and which need improvement.
- ☐ Retain core elements that align with your mission and impact goals.
- ☐ Research and identify a new, better-aligned funding opportunity
- ☐ Adjust program scope and budget to meet new funder requirements.
- ☐ Revise language to reflect funder's priorities and terminology
- ☐ Add or update letters of support with localized endorsements
- ☐ Refresh your needs statement with updated data or stories
- ☐ Ensure outcomes are measurable and funder-relevant
- ☐ Conduct a final review for clarity, tone, and formatting
