

KEY FEDERAL PARTICIPANTS – BRMT and Racketeering Operations Against Lead Plaintiff and Others

NOTE: This document has been removed and superseded at pages 12251-12261, ~~which are presented herewith out of sequence for ease of reference. The document is also presented in proper paginated order at pages 12251-12261.~~

BRMT RELATED RACKETEERING CIVIL RIGHTS CRIMES - RELATIONSHIP EMPLOYMENT ASSET STRIPPING HACKS

Involuntary Servitude/Trafficking/Mobility Hacks as integrated into BRMT and psy ops with other civil rights violations and racketeering

Programmed Relationship Destruction incorporating – Oxytocin first (Lynne); second episodic disappearances (Jeanette); ED provocation campaign (Marinka, add Yale psych review), oxytocin and remote asset stripping (Laura); ED, erratic dates, and jealousy provocation campaign (Gia).

Forced Relocations/Trafficking by orchestrated displacements and housing instability, incorporating programmed losses of assets (personal, real, financial)

Redmond – improve landscaping, divorce/oxytocin forces house sale

Kirkland – rebuild house, Performa sales leads starve out and ShipNow bad checks, expensive dragged out compensation theft litigation with CNA combine to force liquidation of assets. ClubFed baits for Boston relocation (fear campaign in Kirkland accompanies this) using Lisa Randall Harvard book and Scientific American cover (2005). 21 months homeless in Boston including 17 months in Pine Street Inn.

Cliffside Park – trafficked from Boston, fake employment 10 months to job loss and homeless displacement to Bergen Regional, then 6 months to rehouse under state mental health housing stability program

Ramsey – ran thru 5 year cash assistance grant, then to Social Security and Laura/oxytocin funds extract, then furniture and improvements to residence, then Section 8 pops up

Edgewater - Section 8 in, pay for security deposit and all furnishings, property foreclosure gets lease timing out of synch with Section 8 renewal to create conditions for (potential) loss of security deposit on forced exit if Section 8 is not renewed (most feasible method is mail fraud and wire fraud)

Employment Restraints/Forced Labor/Network Capture and Retention

Mail and wire frauds – resume diversions, applications diversions

Captive headhunters and embeds

Capture for network trafficking/employment/unemployment

Reputation management to sustain capture and indentured servitude

Subject: FW: Amarillo Fed District Ct and Maggard

Also, Dewey Turner – Sole Source Capital mentioned he was in west Texas during one of our calls. Possible security backcheck – consistent with other security backcheck tradecraft previously experienced in other places and sequences.

Regards,
Dennis

Subject: Jim West - FBI Investigation

West was Washington State Senate Minority leader then Wa State Senate Majority Leader, then ran for Spokane Mayor (prev. Spokane County Dep Sheriff)

Laurie Dolan ran and lost to West in reelection campaign

Spokane mayor before recall gay sex scandal – “beautiful” younger man invited for swim event, reported Spokesman-Review then recalled

Then colon cancer and died after Blaine Policy Summit where I saw Intel contract lobbyists appx 3 month old daughter. I spoke for 10-15 minutes at this summit, can date from TVW archives if available.

While AeA Chair, met West in Spokane for coffee at coffee shop downstairs from district office, then went to Domini’s for lunch. Same trip visited EWU re EE degrees, smart meter company Chair in Spokane East Valley re AeA Board spot which he declined, also WSU Pres (former WSU Econ prof)

Regards,
Dennis
