MIN. WINCEY TERRY-BRYANT

While dining with my coworkers after a post studio recording session dinner, a police pursuit in Montclair resulted in a stolen vehicle colliding into the rear of my parked car.

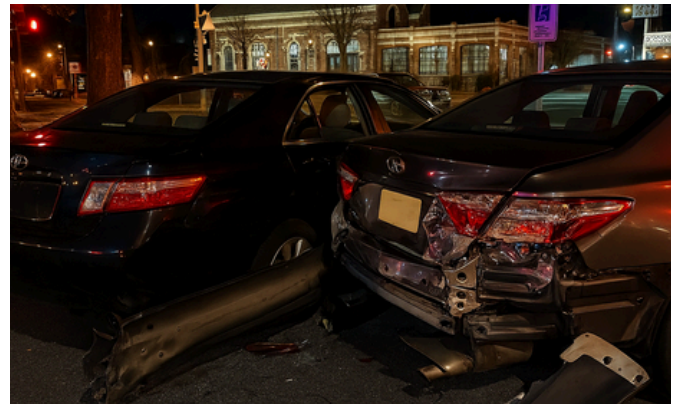

This impact forced my vehicle into the passenger door of the car adjacent to mine in the restaurant parking lot. My car was wedged deeply into the next vehicle. The situation was so severe that an elderly female passenger was trapped inside her vehicle for over an hour until a tow truck could extricate my car from the trapped passenger's car.

Had I stepped outside **just moments earlier**, I would have been entering my vehicle and could have been severely injured being crushed between the two cars. **#JesusWinsAgain!**

JESUS SAID... "WHAT IS IMPOSSIBLE
WITH MAN IS POSSIBLE WITH GOD."

- LUKE 18:27 NIV
