New Testament Survey –

Summarizes the life and teachings of Jesus Christ as shared in the 27 books of the New Testament, God's plan of salvation and the Lord's return.

The Foundations of Christian Doctrine –

Introduces the student to the doctrines of the Christian Church, which is essential to understanding the foundation of our beliefs.

The Book of Romans –

The study of Paul's letter to the Romans examines God's plan of salvation by grace through faith in Jesus Christ.

Evangelism –

This is an interactive course concentrating on the principles of spreading and sharing the gospel of Jesus Christ.

Discipleship -

An in-depth study of "true discipleship" from spiritual, physical and emotional character growth.

Eschatology –

The study of the "end times." This course deals with understanding the "future things" as explained through prophecy, the book of Revelation, and supporting scriptures.
