Replenishing Holy Ghost filled Saints

The Spirit filled Saint that is constantly shining for Christ meets challenges continually. The need to commune with the Father in Jesus Name is imperative. Great was the experience of the Saints in Acts chapter 2. Awesome was the display of Holy Ghost power. Wonderful was the results of the Spirit filled message.

In Acts 3, Peter and John were on their way to the temple to pray. They encountered a man begging. Money they didn't have, it needed replenishing; but they gave what they had received, and that was enough for a miracle.

To replenish is to revive, renew, or restore. Many have been brought to places of warring to maintain spiritual, mental, and even physical positions. We have been challenged by the enemy, and have wearied in the process. Some have seemingly given beyond what they had to give. But, as we go through this month of prayer and seeking the Lord, He will show us in His word that replenishing, restoration, renewal, and revival are ours for the asking.
