Beyond the Dream: A Decade in the Making

Ten years ago, the Dream Gala celebrated the purchase of the adjacent St. Mark's Church—a milestone that sparked our vision to build for the future. Today, that vision is becoming reality.

The St. Peter Building Project is now in the design phase, moving us toward a campus that will serve generations to come. While our official launch is still ahead, we couldn't wait to share a sneak peek. These early renderings reflect our shared dream—brought to life through community, commitment, and God's grace.

As you enjoy this year's Fashion Show, we invite you to become a sponsor.

Your support ensures our largest fundraiser makes a lasting impact in bringing this vision to life.

Phase 1

Parish Hall, Church Offices, Conference Room, Coffee Shop, Bookstore, Additional Parking, Restrooms.

Phase 2

Bell Towers, Narthex Expansion, Candle Niches.
