

# Town of Sheldon Broadband Availability (Based on FCC and NYSPSC Data)

**Legend**

**Sheldon**

**Broadband Availability**

- No Coverage
- Provider Coverage
- Unknown
- Non-Residential or Non-Commercial Property
- Town Boundary
- Roads

Please consider the following while viewing this map:

Broadband availability shown on this map is based on FCC and New York State Public Service Commission datasets.

FCC data only includes residential and commercial addresses.

Unknown indicates that the FCC and PSC data are inconclusive.

This is the first iteration of these datasets and they will be updated. If you have feedback, please report it to the Wyoming County Planning Department.
