**BATH HOUSE  
RESIDENTIAL FAMILY  
ASSESSMENT CENTER**

## PLACEMENTS

The typical length of our placements are usually twelve weeks however, we are able to support local authorities with short term placements whilst awaiting court dates or discharged from hospital where possible. We also have community move-on properties to offer continued support and monitoring within the community.

## CRITERIA FOR ADMISSION

All referrals received are considered in terms of the level of risk and individual need. Our management team will visit the family and complete an impact assessment prior to any placement being confirmed.

"We actively promote positive parenting and work closely with parents to explore and identify areas for long term improvement."

## OUR TEAM

Our centre is managed by a team of highly skilled and experienced social workers and key support staff, whom complete robust and evidence based parenting assessments throughout the placement. Our qualified practitioners deliver a range of bespoke interventions to includes PAM's, Family Futures, Incredible Years and independent living skills, and much more.

## SAFETY AND SUPPORT

Bath House is a Family Residential Assessment Centre for parents, their children considered at risk and expectant mothers. Our centre ensures staff are available 24 hours a day and have the added benefit of CCTV and audio monitoring in every room and within each communal area.
