\* Items marked with an asterisk would be best in your Carry-On Luggage

These items below may not appear on a traditional packing list. But we've enjoyed them, so you might too:

**Insulated mug** – look like a seasoned traveler and take along to the beach, swim up pool bar, etc. (best priced ones we have found are Ozark Trails at Walmart). Ones with a handle and closable top are most convenient

**Inflatable Rafts** – Use in the ocean or pools. Ask the watersports staff to inflate for you, then just leave them there if you don't want the hassle of bringing them back. Have often seen guests with ginormous Flamingos or Unicorns, but a basic lounge, hammock style, or seat with drink holders is super fun to have. Here's a small, great priced hammock style:

**Chair Clips** – use these to reserve your own chairs on the beach or at the pool. Many guests go out early in the day to get their preferred real estate. Mark yours with super cute Boca Clips. Buy at Walmart, drug stores, and of course Amazon). They have animals, cocktails and more. Here's a link to the Margarita ones, but they are a little larger than most.

**Portable/Rechargeable Fan** – Enjoy on your balcony or patio, especially if it's hot and humid, or no-seeums or mosquitos are on attack. This one is small but generates plenty of breeze and is very quiet:

**Snorkel Mask** - for those times you just want to snorkel along the beach/pier and not sign up for a boat trip. We really like the panoramic full face masks which you can find on Amazon.

**Plastic zip lock bags** – just a few to bring back wet or damp clothing and for toiletries

**Extension Cord** – one with extra outlets. Many outlets in southern & eastern Caribbean islands are NOT North American. Rooms may only have 1-2 US style plug outlets. Having a few extras can be helpful! Get from Walmart, Home Dept/Lowe's or Amazon:
