MADISON H.O.G. CHAPTER #3793

[CHAPTER WEBSITE](#) | | [FACEBOOK GROUP](#)

FROM THE CHAPTER DIRECTOR

- **Dennis LeMoine** -

I hope everyone had a safe and happy 4th of July holiday. The weather was hot, but it beats the rain! Also want to say it has been fun to meet so many people on the chapter rides. So far this year we have had good turnouts and hope you can continue to come. If you haven't had an opportunity to participate yet, hopefully you will before the season ends.

There is a possibility that not everyone will be able to make all the stops for the Observation Run so we have changed it up a bit to make it easier. We will have a drawing for a winner from anyone who accumulates 25 points, as well as the main drawing for those that make the most points.

Hope to see you on a ride!

THE MADISON H.O.G 2023 OBSERVATION RUN

We are trying something new this year to give our members more ideas on ride destinations and to encourage getting your miles with our chapter for Ride 365. Some of these destinations are also chapter rides for this year – kill two birds with one stone!

I put together a list of locations to ride to this summer and earn points toward prizes. In order to participate we are requiring you to be registered for Ride 365 so your miles also help the chapter increase the total miles for that contest.

The locations are broken down into three different point categories. Prizes will be given to the highest total points earner at the November meeting. **EDIT:** We will have a drawing for a winner from anyone who accumulates 25 points, as well as the main drawing for those that make the most points.

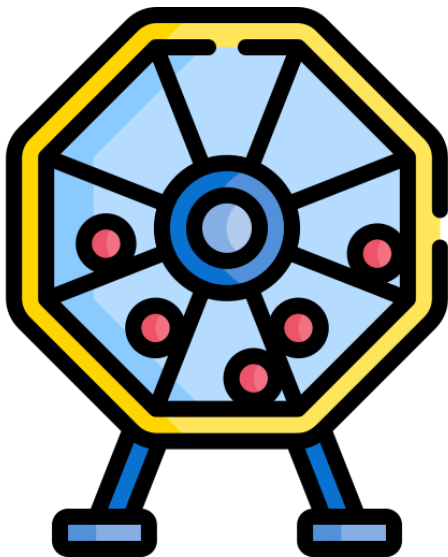

As you visit each location take a selfie and mark it off on the sheet. Turn in your sheet and your selfie pics no later than October 7th to either myself or Sandy Opitz. Emails are listed on the form.

Any questions contact me at dlwestern6@gmail.com

The form is attached below...print it off and get riding!
