SEPTEMBER NEWSLETTER MADISON H.O.G. CHAPTER #3793

[CHAPTER WEBSITE](#) | | [FACEBOOK GROUP](#)

FROM THE CHAPTER DIRECTOR - **Dennis LeMoine** -

For those of you who have not heard, we lost a chapter member, Benjamin Smith, on August 13th due to complications of brain surgery. There will be a memorial service this Thursday at 6pm. Information for the memorial service is listed in this newsletter.

Our Observation Ride for the summer is coming to a close. All entries must be turned in by the October meeting. Bring your sheet and photos to the October meeting to be verified by myself or Sandy Opitz.

In order to participate in the Observation Run, you also needed to be entered in the 365 mileage contest.

This also qualified you for the chapter mileage contest. The miles for the chapter mileage contest ends at the October meeting. To verify these miles you can check in with the reception desk at the dealership to have them verify your mileage or bring in a picture of your mileage and your VIN number to the reception desk to be recorded. You can do this at anytime but must be completed by the October meeting to qualify for the chapter contests. THIS DOES NOT END THE 365

MILEAGE CONTEST – ONLY THE CHAPTER MILEAGE CONTEST.

I will be doing my 2nd annual Rockton Chicken Ride on September 24th. You can meet up to ride at three different locations. The ride will begin at 9AM at Kwik Trip in Middleton. You will meet up with more riders at Cenex in Sauk City and leave there at 9:45AM. We will then meet up at the BP in Reedsburg (across from the airport) and leave there at 11AM. Hope to see you there!

We have had great participation on our rides this summer – lets keep it up!

THE MADISON H.O.G 2023 OBSERVATION RUN

We are trying something new this year to give our members more ideas on ride destinations and to encourage getting your miles with our chapter for Ride 365. Some of these destinations are also chapter rides for this year – kill two birds with one stone!

I put together a list of locations to ride to this summer and earn points toward prizes. In order to participate we are requiring you to be registered for Ride 365 so your miles also help the chapter increase the total miles for that contest.

The locations are broken down into three different point categories. Prizes will be given to the highest total points earner at the November meeting. **EDIT:** We will have a drawing for a winner from anyone who accumulates 25 points, as well as the main drawing for those that make the most points.

As you visit each location take a selfie and mark it off on the sheet. Turn in your sheet and your selfie pics no later than October 7th to either myself or Sandy Opitz. Emails are listed on the form.

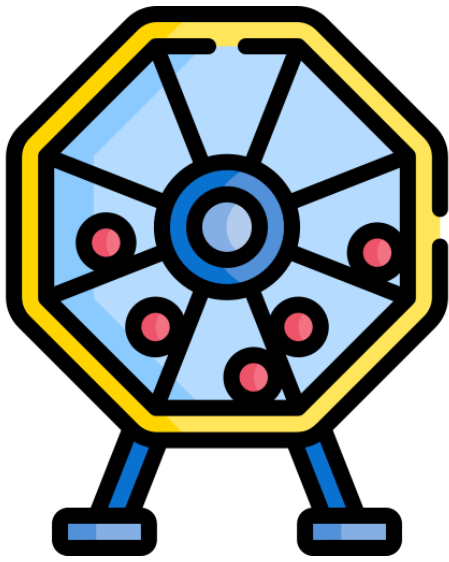

Any questions contact me at dlwestern6@gmail.com

The form is attached below...print it off and get riding!

Patches for your vests & jackets

I can personally recommend a great shop to sew your patches onto your vests & jackets. My H-D vest was just updated with 13 new patches & it looks great! Visit DeForest Alterations & Sewing (697 S. Main Street DeForest, WI 53532; 608-842-0043) & talk to Youa (pronounced You) Lee. She's the owner & does the sewing. Tell her that Michael from Madison HOG sent you. I'm also checking with her to see if she will be mobile & can attend a Chapter Mtg., or two so stay tuned!

- We're always looking for more ideas or dates for rides, and want volunteers to be a Road Captain, Mid, or Sweep -- let Michael know at [262-501-0098](tel:262-501-0098).
- Nikki will have the rides updated on the [HOG Calendar](#) and on the [Facebook Group](#) as they come up.
