REPORTS FROM YOUR CHAPTER OFFICERS : Part 1

CHAPTER DIRECTOR

Dennis LeMoine

At our meeting this month we held our drawings for our blue tickets, our ride participation and our mileage contest. I would like to congratulate all the winners and thank all of you who participated in these rides and events. We had great participation in these and hope next year, if you have not yet participated, you should give it a try.

Even though it is getting a bit cooler outside I do not consider riding season over just yet. I hope to be able to get in one or two more chapter rides before the salt hits the roads and weather permits. Keep an eye out for an email blast and a post on our web page for any updates.

Do not forget at our December meeting we will be holding our annual Christmas dinner. Please bring a dish to pass – meat will be provided.

If anyone is interested in running for a position on the board, please contact Crystal for more information.

Have a Happy Thanksgiving!

REPORTS FROM YOUR CHAPTER OFFICERS : Part 2

GENERAL MANAGER Crystal Mundt

At the Dealership, we are working on year-end account balance cleanup and have decided to move all customer credits to gift cards. If you had money on your account, you should receive the gift card in the mail if I didn't find you at the November Gathering. If you have questions, reach out to me.

In reference to the vote in the October Gathering concerning the Photo Run participants being counted 'per bike or per person,' we came to a conclusion after listening to those who had voiced concern, discussed the issue with the Chapter Board, and with Virgil. In the future, we will continue to honor the Chapter Members individually - not per bike - as long as their dues, both national and local, are up-to-date. It does not matter that you are a passenger - you STILL ride and are included as your own member.

Speak with me if you're interested in sharing stories about traveling along the Wisconsin Rustic Roads. We have a contact who is working on a project and would love to speak with those who've ridden it.
