III - 2. - Nuisance animals generally.

- (a) It shall be unlawful for the owner of any animal to keep or maintain such animal in the city so as to constitute a nuisance. For the purpose of this section, the term "nuisance" is defined as any animal which:

III - 4. - Vicious animals.

- (a) *Prohibited.* It shall be unlawful for any person to keep, possess or harbor a vicious animal within the city. If the animal presents a clear and present danger to the public health or safety or if the owner has been cited for this violation, it shall be the duty of the animal control officer or his agent to impound such animal in a manner and location that will ensure that it is no threat to persons or other animals pending the outcome of a hearing.

The municipal judge may, upon making a finding that an animal is vicious or that it represents a clear and present

danger to the citizens or to other animals in the community, order the animal to be destroyed in a humane manner by the city appointed veterinarian. Surrender of an animal by the owner thereof to the animal control officer does not relieve or render the owner immune from the decision of the court or to the fees and fines which may result from a violation of this section.

- (e) Upon the finding by the municipal judge that an animal is not vicious, but evidence of a bite exists, the municipal judge shall consider the animal to be subject to **Section III – 2. – Nuisance animal (a)(2)**.

The animal control officer or any law enforcement officer may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. If in the opinion of the licensed veterinarian symptoms develop justifying a microscopic examination, then the animal shall be euthanized, and examination made by the state board of health.
- (b) In lieu of the provisions of subsection (a) of this section, the owner of any such animal may, at his own expense, take such animal to any duly qualified and licensed veterinarian for observation. When any tag has become lost during a registration period, the owner of the dog may request a duplicate tag for the remainder of the registration period. When so requested, the city office personnel shall, upon presentation of the registration certificate, issue a duplicate of such tag upon the payment of the required fee. - (d) *Procedure when owner is not known.* If the dog impounded has no current registration tag and the identity of the animal's owner is unknown to the animal control officer or the impounding law enforcement officer, then such impounding officer shall, upon

taking any such animal into custody and impounding the animal, make a record thereof, with a description of the animal and the date and place taken into custody and the place of impoundment. If within five full business days the owner does not appear to claim the dog, then the dog may be adopted out, or euthanized.

- (e) *Redemption by owner.* If at any time before the adoption or destruction of any dog impounded under the provisions of this ordinance the owner of an impounded dog does appear and redeem the dog, it shall be turned over to the person claiming it upon payment of any impoundment fees at the rate of \$5.00 per day, plus a \$40.00 fine, and all penalties including actual costs of impoundment, and upon compliance with the registration provisions of this ordinance.
