Welcome to Lunara. Welcome to the Universal Love Network

☀ **The 1000 Who Will Shape the Future**

★ **The Romanticians™**

The Future That Awaits You

The Official Entry System for Independent Companies in the
Lunara EMBLEMS Universal Love Network

This path transforms any qualified company into a certified
Romantician™, granting them identity, specialization, visibility,
and a place within the global Lunara emotional economy.

It is built on three layers:

1. Identity — The \$19 JPG ID
2. Specialization — The \$39 Pillar Talk Page
3. Integration — Placement within one of the 12 Pillar Talks

This creates a workforce that supports:

- The 14 Regions
- The 100 Emblems
- The Maravelle 14 — The Celestial Sovereigns™
 - The Billionaire of the Sky
 - The Universal Love Network

★ LAYER 1 — The \$19 Romantician™ JPG ID

Identity • Membership • Certification

Every company begins with the Romantician™ JPG ID, a 2-year digital identity badge that certifies them as part of the Lunara emotional workforce.

What the JPG ID Includes:

- Official Romantician™ Seal
 - 2-Year Certification
- Region-agnostic identity (they serve all 14 Regions)
 - Placement in the Universal Love Directory
 - Eligibility for Pillar Talk specialization
- Permission to use the Romantician™ title in branding
 - Access to Lunara EMBLEMS announcements and opportunities

Purpose:

To establish who they are inside the Lunara Universe.

★ LAYER 2 — The \$39 Pillar Talk Page

Specialization • Visibility • Professional Presence

After receiving their JPG ID, each company selects one of the 12 Pillar Talks and receives a dedicated Pillar Talk Column.

This page is their professional storefront inside the
Universal Love Network.

What the Pillar Talk Column Includes:

- Company name + Romantician™ title
 - Chosen Pillar Talk specialization
- Business category + ceremonial identity
 - Mission alignment statement
 - Embedded website link
- Optional embedded MP4 introduction video
 - Contact information
 - Region availability
 - Service offerings

Purpose:

To establish what they do inside the Lunara Universe.
