Section 209.00592(c)(3) of the Texas Property Code provides that a solicitation for votes by absentee ballot must include the following language:

By casting your vote via absentee ballot, you will forgo the opportunity to consider and vote on any action from the floor on these proposals, if a meeting is held. This means that if there are amendments to these proposals your votes will not be counted on the final vote on these measures. If you desire to retain this ability, please attend any meeting in person. You may submit an absentee ballot and later choose to attend any meeting in person, in which case any in-person vote will prevail.

Please note, however, that there will be no in-person voting at the Annual Meeting.
