

Since 1952

REMINDER CONSTRUCTION NOTICE

We are proud to announce the replacement of a fence in your area. We will begin construction on the date indicated below and will be starting at the location and working in the direction indicated below. Please note this is Heavy Construction.

Start Date: First Week in June.

Start Area: **3802 Orchard Club Dr, Richmond, TX 77407**

We are starting Repairs at the above area so please watch our progress and we ask that you please secure your pets and clearly mark any **private** underground utilities that are located in your easement. Our utility service will mark all main utility lines that are located in your easement. We also request that you remove anything attached to the fence, or within approximately two feet of the fence line (such as firewood, landscaping, etc). Things that can't be moved, such as delicate plants and shrubs, should be protected accordingly. We will be careful, but this is heavy construction and damage could occur to items in close proximity to the fence line. If you have any issues with this, please contact our Customer Service Department at the number listed below.

Thank you in advance for your cooperation. If you have any questions or concerns, please contact Customer Service at Houston Fence 281-499-2516.

Best Regards,
