# IMPORTANT DISCLOSURE NOTICE

## NOTICE OF GROUP HEALTH & DENTAL PLAN SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for health plan benefits for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may in the future be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards other coverage for you or your dependents). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing towards the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption, or placement as an eligible foster child, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, placement for adoption, or placement as an eligible foster child.

If you or your dependent lose coverage under Medicaid or a State Children's Health Insurance Plan (SCHIP) because of loss of eligibility for coverage, you may be able to enroll yourself and your dependent in this plan. You may also be able to enroll in this plan if you or your dependent become eligible for premium assistance under Medicaid or SCHIP for coverage under this plan. However, you must request enrollment within 60 days of any such event.

To request special enrollment or obtain more information, contact your employer at the telephone number or address listed for your employer in this enrollment application.
