SUMMER HOLIDAY WORKSHOPS

August 2021

Summer Holiday Theatre Workshops for ages 10-19, in Chester.

Your child can spend a week (or two!), of the school summer holidays this year, working with On The Mark Youth Theatre's talented and dedicated team of Performing Arts professionals, having lots of fun and developing their skills in Acting, Singing & Dance.

OTMYT has a reputation for high-quality, stage musical productions and these Summer Holiday Workshops give your child a chance to take part and see how we work on developing performance skills in rehearsals.

A performance of some of the work will take place on the Friday afternoon, for parents to either attend in person and/or watch a video recording of, later on.

We welcome everyone, from absolute beginners to experienced young performers equally, and all members will work with other children in their age group.
