

Our Auditions, Membership and Attendance Policies are designed to maximise the quality and consistency of our output and we ask that you read them very carefully before accepting the offer of a place at OTMYT.

- Students are expected to remain with OTMYT for the duration of the current Production Cycle (two terms).

- On the Registration Deadline date, any places which are to be vacant for the following Production Cycle will be advertised for audition according to the Audition Policy detailed above.

Attendance Policy

- As the Mission Statement of OTMYT requires us to be working towards a public performance during each Production Cycle, regular attendance from all members is vital.
- Missed sessions will be dealt with as follows:
 - Following the second missed session within a two term Production Cycle, parents/carers will be reminded of the importance of consistent attendance from all members.
 - Following the third missed session within a two term Production Cycle, parents/carers will be issued with a letter reminding them about the details of this policy.
 - Following the fourth missed session within a two term Production Cycle, parents/carers will be issued with a final warning.
 - Missing a fifth session within a two term Production Cycle gives OTMYT the right to withdraw the member's place with immediate effect and with no reimbursement of fees.
- Students are expected to attend for the full session, 10.00am – 1.00pm. Missing more than 30 minutes, in total, of any single session will be regarded as a missed session and dealt with in line with the above policy.
