

Anlin Coronado Series | GARDEN WINDOWS

Architecturally Superior & Beautiful

Garden windows are a popular choice to brighten kitchens and bathrooms. They open the room to more sunlight and provide a perfect shelf for plants and décor. Garden Windows blend nicely with Anlin Del Mar, Catalina, and Panoramic Window series.

- Easy-opening side vents for ventilation
- Opens the room to more sunlight
- Adjustable metal or glass shelf
- Frame's rounded corners create a refined, finished look on the exterior

Fully Welded Vinyl Sash and Frame

with extruded aluminum interior supports for added strength.

Low-E Insulated Glass Roof

Reduces heat transmission and ultraviolet rays.

Fully Adjustable Tempered Glass Shelves

For a variety of plant sizes.

Aluminum Fin Wraps Perimeter

Fin provides a clean, finished appearance.

Clear Outside View

No bars or obstructions, minimal sightlines.

All Rounded Corners & Frame

Modern style matches all types of architecture.

Easy-Opening Side Vents

Single hung vents with sash balances for fingertip control. Self-locking latch keeps vents securely closed.

Vinyl Frame

White and Tan are stock. Additional ThermaCoat colors are available.

Fully Insulated 3/4" Bottom Tray

Sturdy, specially formulated rigid vinyl. 16" deep for wider plant bases.
