

### **HOST HOLE INSTRUCTIONS:**

Things to know before the team rolls up to toss their bags.

1. Please make sure your yard sign with the hole number is in clear view.
2. Players must stand behind the yellow 27 foot line when throwing their bags
3. You will need to verify and initial their score card and one team member will need to initial your host scorecard also.
4. Please provide a small snack, appetizer or small bottle of water (tiny portions about 2-3 bites) to share with the players as they arrive at your site. Food is fellowship and we appreciate you participating in this annual event to bring our community together. Food, Fun & Fellowship is the best way to bring everyone together.
5. Please remind the players to keep things moving so the holes don't get backed up.
6. Please join us at hole #16 (final hole) at the Recreational Field to watch the teams participate in their last hole. Come root on your favorite team.

**From our Tribe to yours, thank you for hosting a hole to help create community and make memories during this event! You are a vital part of making this event a success!**
