

Tuckahoe Cornhole

"MONEY SHOT" RAFFLE

HOW IT WORKS:

- Open to ALL Tuckahoe camping families & their signed-in guests (this is open to spectators AND participants at each event so you DO NOT have to be in the tournament, you just have to purchase tix & be present at the event when the "Money Shot" tix are drawn at the intermission of each tournament)
- Purchase "Chances" for \$1/ticket OR 7/\$5 in the camp store leading up to & on-location at each event
- We will draw up to 3 tickets @ each of the cornhole events this summer
- Each lucky winner will have 4 bags to throw at the 35'-distanced "Money Shot Hole," every bag is worth 25% of the pot
 - Example: if pot is \$1000, you make 1 bag it's \$250, 2 bags \$500, 3 bags \$750, OR all 4 in is \$1000
 - IF, the 1st person does not hit, we will draw a 2nd, & up to a 3rd lucky winner @ each event.
 - The "Money Shot Pot" will build throughout the summer to each main Tuckahoe cornhole event AND to any "Pop-up" tournament that the cornhole committee runs throughout the summer. 100% payout
- Tickets do not carry over from event to event (only the money in the pot), so you must purchase new tickets at each event
- Must be present to win at the following...
