FS56AV				

Model	Installation Method	Fastener	Special Instructions	Recommended Heads
FS56AVRE	Straight Shaft instructions with an R5280 spline cover	8mm x 1.25 LHF	Splines. Request a spline cover R5280	Any of our heads will fit
FS56C	Straight Shaft instructions with an R5280 spline cover	10mm x 1.00 LHF	Splines. Request a spline cover R5280	Any of our heads will fit
FS56RC				
FS61	Straight Shaft instructions		Curved shaft that follows the straight shaft instructions	Any of our heads will fit
FS61AE	Straight Shaft instructions	8mm x 1.25 LHM	Curved shaft that follows the straight shaft instructions	Any of our heads will fit
FS61E	Straight Shaft instructions	8mm x 1.25 LHM	Curved shaft that follows the straight shaft instructions	Any of our heads will fit
FS62	Straight Shaft instructions	10mm x 1.00 LHF	Curved shaft that follows the straight shaft instructions	3600, 5600, 5620, 4700, 8010
FS65	Straight Shaft instructions	8mm x 1.25 LHM		Any of our heads will fit
FS656AVRE	Straight Shaft instructions	8mm x 1.25 LHM		Any of our heads will fit
FS65ACE	Straight Shaft instructions	8mm x 1.25 LHM		Any of our heads will fit
FS65AVE	Straight Shaft instructions	8mm x 1.25 LHM		Any of our heads will fit
FS66	Straight Shaft instructions with an R5280 spline cover	10mm x 1.00 LHF	Splines. Request a spline cover R5280	Any of our heads will fit
FS70RC				
FS72	Straight Shaft instructions	12mm x 1.75 RHF	Nut not included in the kit. Request one and enlarge hole on the GrassGator head with a 1/2" drill bit	Any of our heads will fit

Model	Installation Method	Fastener	Special Instructions	Recommended Heads
FS730R	Straight Shaft instructions with an R5280 spline cover	10mm x 1.00 LHF	Splines. Request a spline cover R5280	Any of our heads will fit
