Dear Jack: now that we have
your address we can write
to you we got one letter the
day before Thanksgiving and
one letter from you today
keep on writing often because
Mom is sure anxious to
hear from you and so are we
all. We surely missed you
Thanksgiving day with Pa
gone and you gone and
Ann out in Avon. Arnold
was home you know, he left
this morning around 11 o'clock
or so from Lorain. Ann is

home tonight she has been
in Avon most of the time.
We had goose yesterday Barb
Charlie and the kids were here
~~the kids~~ went to the store in
the afternoon I stopped over
at Waters. Charlie drove me
over in the afternoon. Em was
working all day yesterday (Thanksgiving)
so he came over at 6 and we
went to his mother's for a duck
supper got home about 11 o'clock
mom was just going to bed.
Mother is just washing those
wool socks she said to tell you
that they are a little scorched
because when we were in Wis
6 years ago Tracy gave them
to mom they were given to
August in the last world
War and he had no use for

them so she gave them to
mom and coming home we
had that fire on the car when
Joe threw the cigarette out
so those socks have quite
a history mom is upstairs now
get out your underwear we
wanted to send the hankies right
away when we got your last letter
but Barb said mom I've got
some home, I'll give them to you
but she forgot to bring them over
yesterday, so will send those later
Aunt Catherine came home
from the hospital last Friday
today is Friday again and
she went back to the hospital
again for Radium treatment
\$160.00 for one treatment and
she is going to be awful sick
too they say, she called mom

This morning said said she
sends her Best Regards to you
and to tell you to be very careful
also mom said be sure you
don't catch cold you know
how you cough. Is it ever cold here
today. Billy Kennedy came over
and let the water out of both
cars Mom asked Agnes to send
Jimmy over, so she send Billy
K. instead they are so nice
It's so icy out the cars where
just creeping along it took me
1 1/2 hrs to get home. You know
about Joe how awful sick he has
been he is able to be up a little
every day now he was up one hour
today Mom and Billy were out
there today he is so awful weak
yet, the doctor said it was
just in time almost too late.

Mom has the underwear she
may have to buy some for you
Jack I dont see why you
cant get underwear from
the government surly they have
other tall boys in the service
you just insist on it you
are intitled to it. I want
Billy to write to you too. you
ask him to in your letters
Mom says Good nite to you
So Good nite to you from
from all of us to you
From your Sister
Marie
