A fear Jack just got
thru with the dishes I washed
Jos. dried them Craven &
Em were over for supper
Mom had some fish &
some eggs potatoes carrots
noodles Cold slaw sponge
cake with frozen berries
whipped cream for dessert
we took the cream off the
milk we cant buy whipping
cream you know now Em
took Craven out to Lakewood
to get the battery from his
uncles old car that has

no tires and will try to
start the old Chevy if
they can start it after all
these months last month
Christmas week to be exact.
Charlie Davis came over
and jacked up both cars
I got the gas ration book
for the Chevy and we haven't
used it yet so now maybe
Craven can get it started
and use it when Jos & him
go out the car he was
using when he was in town
was his uncles and now
one tire blew out so he has
to leave that go for the
duration well Jack how
are you that was bad
about that airplane

(3)
Cracking up it might have
fallen on some of you boys
just think how terrible it
might have been. Oh yes
Jack Frank Hotten is here
he ~~came~~^{stopped} in about 1/2 hr ago
to show Ann some of the
drawings he is doing for
the government Airplane
parts for the students to
study by. he must make
very good money we let
him read some of your
letters he said your picture
looks nice. Jack didn't
you get those salted nuts
I sent you the same day
Josephine sent you the cagg.
I can't understand what
it takes so long for a

Package to get to you: ⁽⁴⁾

I got your socks the other
nite but they are all out
of wool scarfs and I
couldnt get your size in the
gloves but will try again
Saturday. Belly went to a
Circus (Chus) yesterday afternoon
with Anne + Bobby Carlin
they had no school. he was
to the show again tonite
he is getting so big Jack
tonite at the supper table
Ann called him Jack and
mom said that she too has
called him Jack several times
she has you on her mind that
why so take good care of your-
self Jack and write soon
we are thinking of you and hope
you get to come home soon sister Marie
